

**AGREEMENT BETWEEN  
THE CITY OF LOS ANGELES  
AND  
THE VENTURA COUNTY FIRE PROTECTION DISTRICT  
FOR  
FIRE PROTECTION AND EMERGENCY MEDICAL SERVICES**

**THIS AGREEMENT** for fire protection and emergency medical services (this "Agreement") is made and entered into by and between the City of Los Angeles, a municipal corporation (the "City"), acting by and through the Los Angeles Fire Department (the "LAFD"), and the Ventura County Fire Protection District, a California fire protection district (the "Fire District"). The City, the LAFD, and the Fire District are at times individually referred to as "Party" and collectively referred to as the "Parties."

**WHEREAS**, the phrase emergency medical services ("EMS") shall have the meaning set forth in Health and Safety Code Section 1797.72; and

**WHEREAS**, the phrase basic life support services ("BLS") shall have the meaning set forth in Health and Safety Code Section 1797.60; and

**WHEREAS**, the phrase comprehensive initial action fire suppression/protection services shall mean actions in response to an actual or threat of fire or other emergency ("Initial Action Services"); and

**WHEREAS**, EMS, BLS, and Initial Action Services are collectively referred to in this Agreement as "Fire Services"; and

**WHEREAS**, the LAFD is a fire department operated by the City to provide Fire Services within the City's jurisdictional limits; and

**WHEREAS**, the Fire District is a fire protection district within the County of Ventura formed in accordance with Health and Safety Code Section 13800 et seq., and predecessor statutes, and is responsible to provide Fire Services in the Fire District's jurisdictional boundaries within the County of Ventura; and

**WHEREAS**, Bell Canyon is a community in the County of Ventura within the Fire District's jurisdiction and is located adjacent to the City of Los Angeles ("Bell Canyon"); and

**WHEREAS**, the LAFD provided extra jurisdictional Fire Services to Bell Canyon pursuant to a June 17, 2009, agreement between the City and Fire District (Contract No. C-115532); and

**WHEREAS**, it would be advantageous to the Parties for the LAFD to continue to provide Fire Services to Bell Canyon, and, as needed, under the terms of the California Disaster and Civil Defense Master Mutual Aid Agreement dated November 15, 1950, as may be amended from time to time (Exhibit "D"); and

**WHEREAS**, the Parties agree to have the LAFD continue to provide Fire Services to Bell Canyon; and

**WHEREAS**, the Fire District is agreeable to paying the City the full cost of Fire Services provided by the LAFD to Bell Canyon.

**NOW, THEREFORE**, in consideration of the above premises, and the mutual covenants and agreements herein contained, the Parties agree as follows:

## **1. SERVICES BY THE LAFD**

- A. During the initial term of this Agreement or any extension hereof, the Fire District agrees to pay an annual contract fee that will ensure full cost recovery to the LAFD ("Contract Fee"). The Contract Fee will be calculated in accordance with Section 13 of this Agreement and will be pro-rated for any partial fiscal year (a fiscal year is defined as the time frame between and including the first day of July and the last day of the following June) during which Fire Services are provided by the LAFD. In exchange for the Contract Fee, the LAFD agrees to provide the following Fire Services to the Fire District in Bell Canyon, the perimeter of which is depicted in Exhibit "B" of this Agreement, which is incorporated herein by this reference:
- i. Initial Action Services consisting of the initial response of resources appropriate to the type of emergency incident, as determined by the LAFD Tiered Dispatch System under the criteria described in Exhibit "C" to this Agreement (Exhibit "C" of this Agreement is incorporated herein by this reference), and
  - ii. EMS consisting of the initial and complete response of resources appropriate to the type of emergency medical incident, as determined by the LAFD Tiered Dispatch System under the criteria described in Exhibit "C" to this Agreement, and
  - iii. EMS transportation consisting of the response of ambulance resources appropriate to the type of emergency medical incident as determined by the LAFD Tiered Dispatch System under the criteria described in Exhibit "C" to this Agreement.

## **2. VEGETATION FIRE INCIDENTS**

Vegetation fire and all other incidents outside of the area are covered by California Disaster and Civil Defense Master Mutual Aid Agreement dated November 15, 1950, as may be amended from time to time. The California Disaster and Civil Defense Master Mutual Aid Agreement is attached to this Agreement as Exhibit "D" and is incorporated herein by this reference.

### **3. DISPATCHES BY THE LAFD**

Upon the LAFD's receipt of a request for Fire Services in Bell Canyon, based upon the information exchanged between the LAFD and the requestor with regard to the type of incident, the LAFD will identify and dispatch the appropriate Fire Services resources for an initial (First Alarm) response to the request. The criteria the LAFD will use to determine the appropriate Fire Services to dispatch is defined by the LAFD Tiered Dispatch system (as described in Exhibit "C"). The LAFD will also provide the caller with any pre-arrival instructions.

### **4. NOTIFICATIONS BY THE LAFD TO THE FIRE DISTRICT**

The LAFD will dispatch its resources as determined by the LAFD Tiered Dispatch System and shall notify the Fire District of all incidents the LAFD responds to in Bell Canyon in accordance with the Operating Plan attached to this Agreement as Exhibit "C."

### **5. COMMITMENT OF RESOURCES**

Subject to the provisions of Section 13 of this Agreement, the LAFD shall furnish and supply all necessary labor, supervision, equipment, communication facilities and supplies to provide the Fire District with extra jurisdictional "All Risk Initial Action" up to and including incident stabilization, in complying with the terms of this Agreement. The Fire District will respond with the appropriate resource for the given incident type, and on arrival assume responsibility until the conclusion of the incident.

### **6. INCIDENT REPORTING**

For single resource response incidents in Bell Canyon responded to by the LAFD, the LAFD will have the responsibility of incident reporting and follow procedures for notifying the Fire District of all incidents in Bell Canyon. On incidents where there are multiple resources or any incident that requires the response of the Fire District, the Fire District will have the responsibility of incident reporting.

### **7. PUBLIC ENTITY MUTUAL HOLD HARMLESS CLAUSE**

Pursuant to the provisions of California Government Code Section 895.4 et seq., each Party agrees to indemnify and hold the other harmless from all loss or liability for injury or damage, actual or alleged, to person or property arising out of or resulting from the indemnifying Party's acts or omissions in the performance of this Agreement.

In the event of third-party loss caused by the negligence, wrongful act or omission by any of the Parties, each Party shall bear financial responsibility in proportion to its percentage of fault as may be mutually agreed between the Parties or judicially determined.

The provisions of California Civil Code Section 2778 regarding interpretation of indemnity agreements are hereby incorporated into this Agreement.

#### **8. NO THIRD-PARTY BENEFICIARY**

This Agreement shall not be construed as, or deemed to be, an Agreement for the benefit of anyone not a party hereto, and anyone who is not a party hereto shall not have a right of action hereunder for any cause whatsoever.

#### **9. INSURANCE**

The Parties agree to maintain a program of general liability insurance or self-insurance coverage throughout the term of this Agreement. The certificate will state a limit of liability not less than \$1,000,000 per occurrence for bodily injury and property damage liability combined. The Parties are self-insured entities.

#### **10. ADMINISTRATION**

The Fire Chief of the LAFD and the Fire Chief of the Fire District shall be responsible for the administration of this Agreement. The Fire District and the LAFD agree to promptly notify one another in writing regarding any change in resource levels or dispatch policies and will report any such change to one another.

#### **11. TERM**

The term of this Agreement will be effective on July 1, 2019, through June 30, 2024, unless otherwise terminated earlier by written notice as provided herein.

#### **12. TERMINATION**

Any of the Parties may terminate this Agreement at any time by providing a written notice to terminate in accordance with Section 14 of the Agreement. The notice to terminate shall be a minimum of 90 days in advance of the termination date.

Any of the Parties may terminate this Agreement for cause, if another Party defaults. The Party claiming default must notify the other Party of the default in writing and provide a reasonable period to cure. The Agreement terminates upon the defaulting Party's failure to cure within the stated cure period. If this Agreement is terminated due to the LAFD's default, the LAFD will provide the Fire District a refund of any fees paid to the LAFD for services in excess of those rendered.

If this Agreement is terminated due to Fire District's default, the LAFD may cease all services to the Fire District. The LAFD will provide the Fire District with a close out invoice for actual services provided, payable within 30 days of receipt.

### **13. FEES AND METHOD OF PAYMENT**

- A. **Fees.** The LAFD will charge an annual Contract Fee equal to the cost of providing services, calculated as set forth in this Section 13. The Contract Fee is payable in quarterly installments, due in advance of service.
- B. **Invoices.** The LAFD will provide an invoice a minimum of 30 days prior to the upcoming payment due date. The LAFD will invoice the Fire District on a quarterly basis.
- C. **Incident Statistics.** The LAFD will provide Fire District a report showing the LAFD's resource responses to incidents in the community of Bell Canyon. The report will be included with the invoice as stated above in subsection B.
- D. **Payment Due Dates.** Except for the first payment, payments are due on July 1, October 1, January 1, and April 1, of each year for the term of the Agreement. The first payment is due upon execution of the Agreement. Subsequent payments are due in accordance with the above schedule.
- E. **Service Period.** The first service period will begin on July 1, 2019, and end on June 30, 2020. Each annual service period thereafter, for fee calculation purposes, will begin the following July 1 and end on June 30 of the following calendar year.
- F. **Fee Calculation and Reconciliation.** Fire Services for Bell Canyon are provided by the LAFD with a combination of fire engines, trucks, light forces and rescue ambulances. These resources respond to City incidents as well as Bell Canyon incidents. Therefore, the cost for Fire Services for Bell Canyon is a percentage based on the amount of time worked on Bell Canyon incidents over total time worked on all incidents.

For example, if Engine X spent 1000 minutes working in a year and 100 of those minutes were spent on Bell Canyon-related incidents, the Bell Canyon costs would be 10% of the total cost for Engine X.

The City calculates its costs using a combination of factors, including average salaries, expenses, Cost Allocation Plan ("CAP") costs and other compensated time off factors. The formula for calculating the cost of Engine X would be as follows:

Total Direct Cost = Total Salary + Backfill Costs + Emergency Overtime + Bonus + Expenses

Total Cost = Direct Cost + CAP Fringe Benefits + CAP Central Services + Div/Batt OH + CAP Dept Admin

Bell Canyon Cost = Total Cost multiplied by Bell Canyon percentage of use (10%).

The annual Contract Fee will be the cost of services under this Agreement (or, for the first service period of this Agreement, under Contract No. C-115532) in the preceding service period. On June 1 of each year, the LAFD will provide the Fire District with an invoice for the annual Contract Fee as so calculated for the service period beginning July 1 of that year.

Within 90 days of the end of a service period, the LAFD will reconcile the actual cost of Fire Services with the payment provided for the subject service period. If the actual cost of services differs from the amount paid, the LAFD will in the invoice for the current service period show either a credit in favor of the Fire District for any overpayment or an additional amount owed to the LAFD for any underpayment.

#### **G. Maintenance of Records**

- i. **Fire Services.** The LAFD will maintain all incident records for Fire Services provided to Bell Canyon at its primary location of 200 N. Main Street, Room 1630, Los Angeles, California 90012. The Fire District will have full access to review and audit these records for a period of at least 36 months following the end of this Agreement.
- ii. **Patient Transports.** The LAFD will maintain all patient transport records in accordance with applicable, current and future, local, state, and federal laws and statutes including the Health Insurance Portability and Accountability Act of 1996 (HIPAA). To the extent authorized by HIPAA, the LAFD shall allow the Fire District access to the patient's transport records with the understanding that the Fire District has taken reasonable and necessary steps to protect patient health information by having the appropriate policies and procedures in place.

#### **14. RECONCILIATION UPON TERMINATION**

**Early Termination.** Upon early termination of the Agreement, the LAFD will reconcile services provided to the Fire District and will issue an adjusted invoice based upon actual services provided in accordance with Section 13. If the adjusted invoice is for an amount greater than that already paid by the Fire District, then the Fire District will remit payment within 30 days of the date of the invoice. In the event the adjusted invoice is for an amount less than already paid by the Fire District, then the LAFD will reimburse to the Fire District the difference between the actual costs of services and the amount paid by the Fire District. If the Fire District has not paid the invoice for the current service period, then the Fire District agrees to pay an amount that reflects the actual services provided to the Fire District through the effective date of termination and adjustments, if any, that may be outstanding from the previous service period(s).

During the meetings the Parties will discuss whether any modification to the Operating Plan is necessary and appropriate. Notwithstanding Section 18 or any other provision of this Agreement, the Parties, through the administrators identified in Section 10 or their designees, may modify the Operating Plan without amending this Agreement.

**17. DISPUTE RESOLUTION**

In the event of a dispute among the Parties as to the Operating Plan, payment or any other issue arising under this Agreement, the Parties agree to meet and negotiate in good faith to resolve such dispute. This shall not limit any Party's right to pursue any available remedies at law or in equity.

**18. AMENDMENT**

Any extension or amendment of this Agreement must be made in writing and executed by the City and the Fire District.

**19. SEVERABILITY**

The Parties agree that if any part, term, or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal, or unenforceable, such validity, illegality, or unenforceability shall not affect other parts, terms or provisions of this Agreement, which shall be given effect without the portion held invalid, illegal, or unenforceable, and to that extent the parts, terms, and provisions of this Agreement are severable.

## **20. STANDARD CONTRACT PROVISIONS**

The Fire District is a public entity and as such, agrees to comply with Exhibit "A" – Standard Provisions for City Contracts (Rev. 10/17)[v.3], only when those provisions are relevant to the Fire District's performance of the Agreement and when they do not conflict with or exceed the Fire District's own rules and regulations or any of the local, state, federal rules and regulations to which the Fire District is bound. To the extent there is a conflict on any subject matter between the Agreement and the Standard Provisions for City Contracts, the language in the Agreement shall govern.

## STANDARD PROVISIONS FOR CITY CONTRACTS

### **PSC-1.** Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

### **PSC-2.** Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

### **PSC-3.** Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

**PSC-4. Integrated Contract**

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

**PSC-5. Amendment**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

**PSC-6. Excusable Delays**

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

**PSC-7. Waiver**

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

**PSC-8. Suspension**

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

**PSC-9. Termination**

**A. Termination for Convenience**

**CITY** may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

**B. Termination for Breach of Contract**

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
  - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
  - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
  - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
  - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
  6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
  7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
  8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

**PSC-10. Independent Contractor**

**CONTRACTOR** is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

**PSC-11. Contractor's Personnel**

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

**CONTRACTOR** shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

**PSC-12. Assignment and Delegation**

**CONTRACTOR** may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

**PSC-13. Permits**

**INSURANCE CONTRACTUAL REQUIREMENTS**

**CONTACT** For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at [www.lacity.org/cao/risk](http://www.lacity.org/cao/risk). The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

**CONTRACTUAL REQUIREMENTS**

**CONTRACTOR AGREES THAT:**

- 1. Additional Insured/Loss Payee.** The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.
- 2. Notice of Cancellation.** All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

**7. California Licensee.** All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

**8. Aggregate Limits/Impairment.** If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

**9. Commencement of Work.** For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

# OPERATING PLAN INITIAL ACTION AGREEMENT FOR ALL RISK AND EMERGENCY MEDICAL SERVICES BETWEEN THE LOS ANGELES FIRE DEPARTMENT AND THE VENTURA COUNTY FIRE PROTECTION DISTRICT

## IDENTIFICATION

This Operating Plan is between the Los Angeles Fire Department (LFD) and the Ventura County Fire Protection District (VNC) identifying the dispatch of resources into the Bell Canyon Community. LFD and VNC are referred to collectively as the Parties.

## OPERATING PLAN

This Operating Plan will include protection area maps for all PARTIES, current costs for use of LFD equipment, personnel, lists of principal personnel, dispatching procedures, and any other items identified in this Agreement as necessary for efficient implementation.

The purpose of this Operating Plan is to outline the operating procedures for carrying out "Initial Action" all risk protection between "LFD" and "VNC." Initial Action for this agreement is defined as "actions taken upon arrival on-scene of an incident to mitigate the emergency until incident stabilization." This Operating Plan is a guide for day-to-day operations and is not intended to replace or adjust any uniform mutual assistance agreement which may be in effect.

This Operating Plan involves utilization of the resources defined in this Agreement as initial dispatch (refer to Tiered Dispatch System).

This Operating Plan outlines procedures for the shared use of the PARTIES' all risk resources including personnel, apparatus and equipment, to control structure fires, other fires and emergencies occurring within the Bell Canyon Community delineated by this Agreement.

## EXHIBIT "C"

### **NOTIFICATIONS**

Upon receipt of a fire or emergency medical dispatch, it shall be the responsibility of the receiving jurisdiction to notify the other party of the emergency dispatch. When taking action, LFD **shall** notify VNC of any incident within the community of Bell Canyon in accordance with the Operating Plan, detailing equipment and personnel that were dispatched to the incident location.

After receiving notification of an incident within the community of Bell Canyon, VNC will communicate with the on-scene LFD incident commander and determine the most appropriate VNC resource to respond to the incident.

### **INITIAL DISPATCH**

Upon receipt of an "911" emergency request, LFD will notify VNC of the emergency and the incident and emergency resources dispatched into the Bell Canyon Community. LFD Metro Fire Communications (MFC) shall coordinate initial dispatch of the resources and notification **shall** be made to VNC of any incident.

### **METHODS OF DISPATCH**

#### 1. LFD Tiered Dispatch System

Upon receipt of a report of an incident covered in this Agreement in the Bell Canyon area, "LFD" MFC shall immediately notify VNC telephonically as provided for herein and dispatch "LFD" resources according to the 2007 Algorithm for Bell Canyon.

Upon receiving an alarm directly from the public, "LFD" MFC shall initiate dispatch of their agreed-upon resource package without receiving a request from VNC, provided that they simultaneously attempt to notify both "LFD" and "VNC".

"LFD" utilizes a Tiered Dispatch system, a computer-based system containing comprehensive Fire and EMS services algorithms, to determine and dispatch the appropriate resources for each emergency incident. Both "LFD" and "VNC" have established pre-determined algorithms for service to the Bell Canyon community, and are identified in by the following chart.

## **CALIFORNIA DISASTER AND CIVIL DEFENSE MASTER MUTUAL AID AGREEMENT**

**CALIFORNIA  
DISASTER AND CIVIL DEFENSE  
MASTER MUTUAL AID AGREEMENT**

This agreement made and entered into by and between the STATE OF CALIFORNIA, its various departments and agencies, and the various political subdivisions, municipal corporations, and other public agencies of the State of California;

***WITNESSETH:***

***WHEREAS***, it is necessary that all of the resources and facilities of the State, its various departments and agencies, and all its political subdivisions, municipal corporations, and other public agencies be made available to prevent and combat the effect of disasters which may result from such calamities as flood, fire, earthquake, pestilence, war, sabotage, and riot; and

***WHEREAS***, it is desirable that each of the parties hereto should voluntarily aid and assist each other in the event that a disaster should occur, by the interchange of services and facilities, including, but not limited to, fire, police, medical and health, communication, and transportation services and facilities, to cope with the problems of rescue, relief, evacuation, rehabilitation, and reconstruction which would arise in the event of a disaster; and

***WHEREAS***, it is necessary and desirable that a cooperative agreement be executed for the interchange of such mutual aid on a local, countywide, regional, statewide, and interstate basis;

***NOW, THEREFORE, IT IS HEREBY AGREED*** by and between each and all of the parties hereto as follows:

1. Each party shall develop a plan providing for the effective mobilization of all its resources and facilities, both public and private, to cope with any type of disaster.
2. Each party agrees to furnish resources and facilities and to render services to each and every other party to this agreement to prevent and combat any type of disaster in accordance with duly adopted mutual aid operational plans, whether heretofore or hereafter adopted, detailing the method and manner by which such resources, facilities, and services are to be made available and furnished, which operational plans may include provisions for training and testing to make such mutual aid effective; provided, however, that no party shall be required to deplete unreasonably its own resources, facilities, and services in furnishing such mutual aid.
3. It is expressly understood that this agreement and the operational plans adopted pursuant thereto shall not supplant existing agreements between some of the parties hereto providing for the exchange or furnishing of certain types of facilities and services on a reimbursable, exchange, or other basis, but that the mutual aid extended under this agreement and the operational plans adopted pursuant thereto, shall be without reimbursement unless otherwise expressly

provided for by the parties to this agreement or as provided in Sections 1541, 1586, and 1587, Military and Veterans Code; and that such mutual aid is intended to be available in the event of a disaster of such magnitude that it is, or is likely to be, beyond the control of a single party and requires the combined forces of several or all of the parties to this agreement to combat.

4. It is expressly understood that the mutual aid extended under this agreement and the operational plans adopted pursuant thereto shall be available and furnished in all cases of local peril or emergency and in all cases in which a *STATE OF EXTREME EMERGENCY* has been proclaimed.
5. It is expressly understood that any mutual aid extended under this agreement and the operational plans adopted pursuant thereto, is furnished in accordance with the "California Disaster Act" and other applicable provisions of law, and except as otherwise provided by law that: "The responsible local official in whose jurisdiction an incident requiring mutual aid has occurred shall remain in charge at such incident including the direction of such personnel and equipment provided him through the operation of such mutual aid plans." (Section 1564, Military and Veterans Code.)
6. It is expressly understood that when and as the State of California enters into mutual aid agreements with other states and the Federal Government, the parties to this agreement shall abide by such mutual aid agreements in accordance with the law.
7. Upon approval or execution of this agreement by the parties hereto all mutual aid operational plans heretofore approved by the State Disaster Council, or its predecessors, and in effect as to some of the parties hereto, shall remain in full force and effect as to them until the same may be amended, revised, or modified. Additional mutual aid operational plans and amendments, revisions, or modifications of existing or hereafter adopted mutual aid operational plans, shall be adopted as follows:
  - a. Countywide and local mutual aid operational plans shall be developed by the parties thereto and are operative as between the parties thereto in accordance with the provisions of such operational plans. Such operational plans shall be submitted to the State Disaster Council for approval. The State Disaster Council shall notify each party to such operational plans of its approval, and shall also send copies of such operational plans to other parties to this agreement who did not participate in such operational plans and who are in the same area and affected by such operational plans. Such operational plans shall be operative as to such other parties 20 days after receipt thereof unless within that time the party by resolution or notice given to the State Disaster Council, in the same manner as notice of termination of participation in this agreement, declines to participate in the particular operational plan.

- b. Statewide and regional mutual aid operational plans shall be approved by the State Disaster Council and copies thereof shall forthwith be sent to each and every party affected by such operational plans. Such operational plans shall be operative as to the parties affected thereby 20 days after receipt thereof unless within that time the party by resolution or notice given to the State Disaster Council, in the same manner as notice of termination of participation in this agreement, declines to participate in the particular operational plan.
  - c. The declination of one or more of the parties to participate in a particular operational plan or any amendment, revision or modification thereof, shall not affect the operation of this agreement and the other operational plans adopted pursuant thereto.
  - d. Any party may at any time by resolution or notice given to the State Disaster Council, in the same manner as notice of termination of participation in this agreement, decline to participate in any particular operational plan, which declination shall become effective 20 days after filing with the State Disaster Council.
  - e. The State Disaster Council shall send copies of all operational plans to those state departments and agencies designated by the Governor. The Governor may, upon behalf of any department or agency, give notice that such department or agency declines to participate in a particular operational plan.
  - f. The State Disaster Council, in sending copies of operational plans and other notices and information to the parties to this agreement, shall send copies to the Governor and any department or agency head designated by him; the chairman of the board of supervisors, the clerk of the board of supervisors, the County Disaster Council, and any other officer designated by a county; the mayor, the clerk of the city council, the City Disaster Council, and any other officer designated by a city; the executive head, the clerk of the governing body, or other officer of other political subdivisions and public agencies as designated by such parties.
8. This agreement shall become effective as to each party when approved or executed by the party, and shall remain operative and effective as between each and every party that has heretofore or hereafter approved or executed this agreement, until participation in this agreement is terminated by the party. The termination by one or more of the parties of its participation in this agreement shall not affect the operation of this agreement as between the other parties thereto. Upon approval or execution of this agreement the State Disaster Council shall send copies of all approved and existing mutual aid operational plans affecting such party which shall become operative as to such party 20 days after

receipt thereof unless within that time the party by resolution or notice given to the State Disaster Council, in the same manner as notice of termination of participation in this agreement, declines to participate in any particular operational plan. The State Disaster Council shall keep every party currently advised of who the other parties to this agreement are and whether any of them has declined to participate in any particular operational plan.

9. Approval or execution of this agreement shall be as follows:
  - a. The Governor shall execute a copy of this agreement on behalf of the State of California and the various departments and agencies thereof. Upon execution by the Governor a signed copy shall forthwith be filed with the State Disaster Council.
  - b. Counties, cities, and other political subdivisions and public agencies having a legislative or governing body shall by resolution approve and agree to abide by this agreement, which may be designated as "*CALIFORNIA DISASTER AND CIVIL DEFENSE MASTER MUTUAL AID AGREEMENT.*" Upon adoption of such a resolution, a certified copy thereof shall forthwith be filed with the State Disaster Council.
  - c. The executive head of those political subdivisions and public agencies having no legislative or governing body shall execute a copy of this agreement and forthwith file a signed copy with the State Disaster Council.
10. Termination of participation in this agreement may be effected by any party as follows:
  - a. The Governor on behalf of the State and its various departments and agencies, and the executive head of those political subdivisions and public agencies having no legislative or governing body, shall file a written notice of termination of participation in this agreement with the State Disaster Council and this agreement is terminated as to such party 20 days after the filing of such notice.
  - b. Counties, cities, and other political subdivisions and public agencies having a legislative or governing body shall by resolution give notice of termination of participation in this agreement and file a certified copy of such resolution with the State Disaster Council, and this agreement is terminated as to such party 20 days after the filing of such resolution.

***IN WITNESS WHEREOF*** this agreement has been executed and approved and is effective and operative as to each of the parties as herein provided.
