Agenda Item 33

Dear County Board of Supervisors,

As a longtime resident of Ventura who is truly interested in the well being of our county residents, I urge you to carry out these two actions as recommended by the County Planning Commission.

**3. RATIFY** the submission by the Resource Management Agency (RMA) of a grant application (Exhibit 8) to the California Coastal Commission requesting \$160,070 in funding from the 2019 Local Coastal Program Planning Grant Program (LCP Planning Grant); and

**4. ADOPT** the attached Resolution (Exhibit 9) ratifying the submission of the aforementioned grant application to the California Coastal Commission on behalf of the County.

Thank you for consideration of this vital matter.
