

# **Non-Objection Letter Regarding the Environmental Review for the California State Water Project Water Supply Contract Amendment and California WaterFix**

---

# Non-Objection to Environmental Review for California WaterFix

- ◆ Ventura County Watershed Protection District (WPD) is a State Water Project contractor
  - ◆ Rights to 20,000 acre-feet per year (0.4931% of state water)
  - ◆ WPD transferred entitlements to:
    - Casitas Municipal Water District, who transferred portions to
      - United Water Conservation District, 10,000 AF/Yr
      - City of Ventura, 5,000 AF/Yr
    - WPD remains a State Water Project contractor

# Non-Objection to Environmental Review for California WaterFix

- ◆ Elected Boards requested WPD to concur with intent to move forward with the CEQA process for California WaterFix
- ◆ California WaterFix (the twin tunnels)
  - ◆ Improve water delivery system in the Delta
  - ◆ Address environmental problems with the existing system
- ◆ Governor Newsom requested design changes
  - ◆ Delays are certain
  - ◆ Point of diversion may change, starting permitting process over

# Non-Objection to Environmental Review for California WaterFix

- ◆ **Recommendation:** Authorize the Director of Public Works Agency to sign non-objection letter for the California WaterFix CEQA process
