ARTICLE 3  
**COMPENSATION PLAN**

Sec. 301     **Compensation Schedule:** Except as otherwise provided herein, employees shall receive the base hourly pay or salary of the pay range assigned to the classification of the position in which they are employed, benefits and retirement in accordance with the pertinent conditions of employment enumerated in these articles, appendices and exhibits. Salaried employees shall be compensated under the provisions of "Biweekly Salary"; and hourly employees under the provisions of "Hourly Salary".

- A.     Base Hourly Pay or Salary for all except "Y" rated employees is defined as the biweekly compensation within the salary range for the employees' "class code" plus the additional compensation for supervisors as described in Section 311, if applicable. "Base Salary" for "Y" rated employees is that described in Section 309 and shall include the additional compensation for supervisors (Section 311) as applicable.
- B.     Advanced Pay/Salary Appointments: The Director-Human Resources may provide that a position be filled at any point in the hourly pay/salary range up to the midpoint of the range, or with the approval of the County Executive Officer, may provide that a particular position be filled at a pay/salary level beyond the midpoint of the salary range. An advanced pay/salary appointment may be made when either of the following occurs:
  - 1.     Whenever reasonable proof has been presented that no qualified person can be recruited to fill a position at the minimum rate.
  - 2.     Whenever reasonable proof has been presented that an applicant has qualifications deserving a starting salary higher than bottom step of the range.
- C.     There shall be an additional step of the salary range which shall be 105% of the normally assigned range which is reserved for those classifications designated as *"Difficult to Recruit."* Advancements up to this step shall not be automatic. They shall, instead, be granted based upon a determination by the Director-Human Resources, subject to approval by the County Executive Officer, that a serious recruiting and/or retention problem exists for a classification(s), or that increases granted

to subordinate "difficult to recruit" classifications have created serious compaction problems, and that any percentage increase up to and including five percent (5%) can be granted under this Section if it would assist the County in recruiting or retaining employees in that classification(s). Upon such determination and approval, any percent up to and including the approximate five percent (5%) increase(s) granted pursuant to the provisions of this Section shall be implemented as follows:

1. Upon prior authorization by the Director-Human Resources, the initial pay/salary placement for newly hired employees may be at any point within the pay/salary range for the classification.
2. All present permanent, regular, full-time or part-time employees assigned to positions in the affected classification(s), who have successfully completed one year or more of service at the top of the pay/salary range for that classification(s) shall receive a pay/salary increase in accordance with the provisions of Section 316 or 319 of this Resolution.
3. All other regular, full-time and part-time employees assigned to positions in the affected classification(s), who have successfully completed less than one year of service at the top of the salary range for that classification may, upon recommendation of their Agency/Department Head and approval by the Director-Human Resources, have their pay/salary adjusted to an amount no less than the lowest pay/ salary received by a qualified candidate hired from an eligible list created as the result of an open competitive examination to fill a vacancy in that classification provided that their education and experience meet or exceed those of the newly hired employee.
4. Subsequent merit increases for employees not compensated at the top of the pay/salary range(s) for classifications affected by the provisions of this Section may be granted pursuant to Sections 316 through 319 of this Resolution.

In the event the Director-Human Resources determines the circumstances that created the recruiting or retention problems for any or all

classifications no longer exist, they shall advise the County Executive Officer of their findings. If the County Executive Officer concurs, he shall declare the provisions described above inoperative for such classification(s). At that time, the pay/salary for any employee compensated at a rate above that to which they would otherwise have been entitled shall be "Y" rated and shall not be increased until the new pay/salary for their classification exceeds the rate established for him pursuant to the provisions described above.

- Sec. 302     **Regular Payday:** Whenever compensation is fixed for any position, such compensation is the biweekly compensation to be paid to the person holding such position unless otherwise stated. Such biweekly compensation shall be paid to employees, as determined by the Auditor-Controller, on or about the Friday following the end of the biweekly payroll period.
- Sec. 303     **Pay On Termination:** Upon certification of the Director-Human Resources that the employment of any employee is terminated prior to the expiration of the biweekly pay period, the compensation of such persons shall become due and shall be paid on the pay day which falls within the next pay period.
- Sec. 304     **Pay For Part-Time Services Of Regular Employees:** The actual compensation for part-time employment shall be determined by the relation that the total number of hours of service bears to the number of hours of service required in full-time employment in each class of position, except for those positions for which the Board has established a special or flat rate of pay as full remuneration for all services rendered, irrespective of the number of hours worked. Premium pay will also be paid to regular part-time employees on the same basis as full-time employees except that when premium pay is paid on a biweekly or monthly rate, that rate will be paid to part-time employees on a pro rata basis.
- Sec. 305     **Wage Rate:** Whenever a non-exempt employee, whose salary is fixed on a yearly or biweekly basis, works less than the total number of hours or days in a particular biweekly pay period, that employee shall receive salary or wages for the period in accordance with the hourly rate of the appropriate classification.

In order to compensate for the difference between staff assigned Battalion Chiefs and line assigned Battalion Chiefs, such employees shall have their salary and benefits adjusted up or down, as

appropriate, by the correction factor of 1.4, consistent with their assignment.

Sec. 306     ***Payment For Services Rendered On An Annual Basis:*** Whenever the salary for any position is established as an annual rate, the employee appointed to that position will be paid a salary on a biweekly basis.

Sec. 307     ***Pay/Salary Corrections:*** Upon recommendation by the Agency/Department Head and the Director-Human Resources, the County Executive Officer may approve a one-time pay/salary adjustment to resolve pay/salary compaction problems. Such corrections will not cause the top step of the salary range to be increased, but are intended to adjust pay/salaries that fall within the pay/salary range.

Sec. 308     ***Pay/Salary Range Changes:*** Whenever a higher pay/salary range is assigned to a classification, an employee holding a position in such classification shall have their hourly pay/salary increased by the percentage increase in the classification's salary range. The employee's anniversary date shall not change in such an adjustment. Whenever an additional step is added to the top of an assigned pay/salary range, individuals at the top of the existing range for at least one year shall be assigned to the new step.

Whenever a pay/salary range is assigned to a classification which previously was compensated on a flat rate, an employee shall either retain their salary immediately prior to the establishing of such range or receive the minimum of the pay/salary range established for the classification, whichever is greater. Whenever the Director - Human Resources furnishes reasonable proof that an employee, whose classification was previously compensated on a flat rate is deserving of a higher placement in the newly established range than the minimum of such range, the County Executive Officer may authorize an adjustment to any point in the pay/salary range assigned to the classification. The employee's merit increase hours shall not be affected by such an adjustment.

Whenever a lower pay/salary range is assigned to a classification, an employee holding a position in that class shall receive the same pay/salary they were receiving on the day preceding the effective date of the new range, if such salary placement is within the newly established pay/salary range. In all other instances, whenever a lower pay/salary range is assigned to a classification, an employee holding a position in the class whose pay/salary immediately preceding the effective date of the new range was in excess of the

maximum of the new range, then such employee shall receive the maximum of the new range. The anniversary date of an employee affected by the establishment of lower pay/salary ranges for their classification shall not be affected by such an adjustment.

For Historical Purposes Only - Market Based Average adjustments granted July 6, 2003 are exempt from the provisions of this section.

Sec. 309     **Hourly Pay/Salary On "Y" Rating:** When an employee is "Y" rated, their base hourly pay/salary, immediately prior to the date of downward reclassification, is frozen and may not be increased until the maximum of the base hourly pay/salary range assigned their new classification exceeds the base hourly pay they were earning immediately prior to establishment of the "Y" rate. The employee shall then be placed at the point in the range most closely representing approximately five percent (5%) increase in base hourly pay and shall retain the same merit increase hours that were needed in effect immediately prior to the establishment of the "Y" rate.

Sec. 310     **Salary Rate On Transfer:** Whenever an employee is transferred or assigned to a position in a different classification having the same salary range as their former position, they shall retain their salary rate and anniversary date.

Whenever an exempt employee is transferred to a position in a non-exempt classification, unless the transfer is at the employee's request, their Base Salary, immediately prior to the date of transfer is frozen and may not be increased until the maximum of the Base Salary range assigned their new classification exceeds the Base Salary they were earning immediately prior to establishment of the "Y" rate. The employee shall then be placed at the point in the range most closely representing approximately five percent (5%) increase in Base Salary and shall retain the same merit increase hours that were needed immediately prior to the establishment of the "Y" rate. Flexible benefit allowances shall be provided in accordance with the provisions of Section 317.

Sec. 311     **Additional Compensation To Supervisors:** A person, occupying a supervisory position, may receive a differential equivalent to seven and one-half percent (7.5%) of the base salary rate of any one of their subordinates provided that:

A. Both their appointing authority and the County Executive Officer find they are exercising substantial supervision over the subject subordinate and that they are satisfactorily performing the full supervisory duties of the position; and,

- B. The organization is a permanent one approved by the County Executive Officer; and,
- C. Both the supervisor and the subordinate have been permanently appointed to full-time positions. For purposes of this section full-time for employees working twelve (12) hour shifts shall be thirty-six (36) hour per week.
- D. The classifications of both the supervisor's and subordinate's positions are appropriate to the organization and their duties.
- E. The classification of the supervisor and subordinate shall not be the same.
- F. The supervisor must occupy a classification with a higher top step of the salary range than that of the subordinate.

Such increased compensation shall be effective on the first (1st) day of the pay period during which the finding called for in Subparagraph "A" above is made. Employees shall be eligible to receive this differential only for the period necessary to maintain the Base Salary of the supervisor at a rate of seven and one-half percent (7.5%) above that received by the subordinate.

When the conditions authorizing this differential cease to exist, then it shall be cancelled and the supervisor shall receive the Base Salary they would have attained notwithstanding the provisions of this Section. The effective date of said adjustment shall be the first (1st) day of the pay period following the action creating the changed condition.

Where the subordinate is receiving a "Y" rate, or is for any other reason paid more than the maximum of the salary range set for their classification, the supervisor's differential shall be computed on the actual base salary paid the subordinate excluding the "Y" rate. A change in the salary or status of the supervisor shall invoke the Merit Increase Section of this Resolution and said Sections shall only be applied to the base rate of the supervisor's salary. Policies and procedures relating to probation or merit increase hours are not affected by the provisions of this Section.

Sec. 312 ***Priority Of Increases:*** Whenever a general increase, a merit salary increase, a higher pay/salary range or pay/salary range placement, a promotional pay/salary increase, or any combination thereof are effective on the same date, the pay/salary to which an employee is

entitled shall be fixed as follows: to the pay/salary received by the employee on the preceding day shall first be added any general pay/salary increase, then any higher pay/salary range or pay/salary range placement, then any merit increase, and then any promotional increase.

Sec. 313 ***Pay/Salary On Demotion Of A Promotional Probationary Employee:*** A promotional probationary employee demoted to the class they formerly occupied in good standing shall have the pay/salary status, probationary status, and anniversary date they would have achieved if they had remained in the lower class throughout the period of their service in the higher class.

Sec. 314 ***Pay/Salary On Probationary Demotion:*** When an employee takes a probationary demotion to a lower class in which a probationary period has not previously been served, such employee shall be demoted to the entry level pay/salary in the lower class and shall be required to serve a new probationary period.

Upon the request of the employee, a probationary employee may, upon approval of the Agency/Department head, be demoted to a class in which they did not previously hold status provided the Human Resources Division certifies that said employee is qualified for the position to which they are demoted. Such employee shall be demoted to the entry level hourly rate of pay/salary in the lower class or upon request by the Agency/Department Head and approval by the Director-Human Resources, retain their current hourly rate of pay/salary or receive the top of the range for the lower class, whichever is less. The employee shall also be required to serve a new probationary period.

Sec. 315 ***Salary On Demotion:***

- A. Whenever an employee who has completed their probationary period in a higher class is then demoted to a position in a lower class for reasons other than unsatisfactory performance, or for functional disability, they shall receive the highest salary on the new range that does not exceed their rate of pay immediately prior to demotion and shall retain their anniversary date.
- B. When an employee who has completed their probationary period in a higher class is then demoted, for disciplinary reasons, to a position in the lower class in which they did not previously hold status, they shall receive a salary five percent

(5%) less than their salary immediately prior to demotion, or the highest salary on the new range, whichever produces the lower salary. An employee so demoted shall be required to serve a new probationary period.

Sec. 316     ***Merit Increases Within The Pay/Salary Range:*** Merit increases within a range shall not be automatic. They shall be based on merit and shall require the written approval of the appointing authority, containing the effective date therefore. Except as otherwise provided in Section 319 of this Resolution, a merit increase shall consist of an increase of approximately five percent (5%) within a range for the class unless the employee is less than five percent (5%) from the top of the range and in such a case, the increase shall be to the top of the pay/salary range.

Sec. 317     ***Change In Flexible Benefit Category:*** Employees affected adversely by involuntary assignment or reclassification to a lower flexible benefit category, shall have their credits frozen until such time as assigned credits exceed the frozen amount. Employees who voluntarily demote to a classification that is assigned lower flexible benefit category shall not have their credits frozen.

Sec. 318     ***Time For Merit Advancements:***

A.     Classified Service Employees

A newly appointed, reemployed or promoted employee may qualify for:

1.     An initial merit advancement within the pay/salary range the pay period following completion of 1,040 hours of service in that class.
2.     Succeeding merit increases within the pay/salary range the pay period following completion of each additional 2,080 hours of service.

The period of service required to qualify for merit increases by regular part-time employees shall be as for a regular full-time employee.

B. Unclassified Service Employees

A newly appointed, re-employed or promoted employee may qualify for:

1. An initial salary review based on performance after completing 1,040 hours of service in that class.
2. Succeeding annual salary reviews upon completion of each additional 2,080 hours of service in that class.

Sec. 319 ***Flexible Merit Increases For Certain Employees*** (See Exhibit 1):

- A. In addition to merit increase provisions contained in Section 316, merit increases for designated management and confidential clerical employees and all employees exempt from the classified service, shall be based on performance. A merit increase for these designated employees may be any amount up to approximately ten percent (10%), inclusive, within the range. Increases shall not be automatic and require the written approval of the appointing authority up to eight percent (8%). Increases of eight percent (8%) or more within the established range must have additional approval as follows:

For Classification Of:

Requires Approval Of:

- |                                      |                          |
|--------------------------------------|--------------------------|
| 1. Agency/Department Heads           | County Executive Officer |
| 2. Asst. Agency/Dept. Heads          | County Executive Officer |
| 3. Human Resources Mgt.<br>Employees | County Executive Officer |
| 4. All Other Designated<br>Employees | Director-Human Resources |

Sec. 320 ***Merit Review:*** The appointing authority shall notify the Director-Human Resources and the employee in writing of their decisions regarding approval, denial, or deferment of a merit increase. In all cases, the recommendation of the appointing authority shall be based on the employee's performance.

Sec. 321 ***Denial Of Merit Increase:*** If, in the appointing authority's judgment, the employee's performance does not warrant a merit salary increase upon meeting the time requirements of Section 318, the

Agency/Department Head may deny the increase and must complete the County Performance Evaluation Rating Form. Any time prior to the employee's next scheduled merit increase, the employee may request a review of their merit increase by the appointing authority, or the appointing authority by their own initiative, may review the matter. If the appointing authority concurs with the requested review, or if the appointing authority independently initiates their own review, then the appointing authority shall reopen the matter by submitting another performance rating and recommendation. If an employee's merit increase is deferred and granted within the year, that employee's next merit increase shall not be due until 2,080 hours of service have elapsed from the (1st) first day of the period in which the increase was finally granted.

Sec. 322     ***Correcting Error In Overlooking Merit Increase:*** Upon discovery that an employee who would otherwise have been recommended for a merit increase failed to receive such increase as the result of an oversight or system error, the Auditor-Controller shall compensate the employee for the additional salary they should have received, when they should have satisfied the merit increase hours needed. In such cases, there will be no adjustment of an employee's anniversary date.

Sec. 323     ***Pay/Salary On Promotion:*** Except as provided below, a regular employee who is promoted to a position in a class having a higher pay/salary rate shall receive the entry level pay/salary for the higher class or such higher amount as would constitute a pay/salary increase of approximately five percent (5%) over the pay/salary received prior to promotion, whichever is greater, or that amount as provided in Section 319. For the purpose of establishing the initial salary for employees promoted to the classification of Sheriff's Captain, the salary received prior to promotion shall include any applicable educational incentive received by the employee prior to their promotion.

A.     Notwithstanding the provisions described above, a regular employee, who is promoted to a position in a class having a higher pay/salary rate may, upon recommendation of the appointing authority, have their initial pay/salary established at any point of the salary range. Such rate must, however, be at least the entry rate for the higher class of such higher amount as would constitute a pay/salary increase or approximately five percent (5%) over the pay/salary received prior to promotion, whichever is greater. A pay/salary established as a result of this provision is subject to the following approvals:

1. Up to the midpoint of the salary range - approval by the Director-Human Resources.
2. From the midpoint to the top of the salary range - approval by the County Executive Officer.

The advanced salary placement may be made when:

1. No qualified person can be recruited to fill a position at a minimum rate; or
2. The skills or experience of the regular employee warrant a higher salary placement.

Sec. 324 ***Effective Date Of Promotion:*** Whenever a person is promoted to a position, the effective date of their promotion shall always be the first (1st) Sunday of the following pay period.

Sec. 325 ***Pay/Salary On Temporary Promotion:*** An employee qualified for and assigned to a higher classification to fill a vacancy caused by sick leave or other approved leave of absence, or any other reasons stipulated by these articles, and who serves in said higher classification for five (5) consecutive workdays, shall thereafter be paid according to the pay/salary range of the class to which the employee has been temporarily promoted. The change in pay/salary related to a promotion shall be effective the first (1st) Sunday of the pay period following such promotion. Prior approval by the Director-Human Resources is required.

Upon temporary promotion, an employee will receive either the minimum of the new pay/salary range or an approximate increase of about five percent (5%) over their present pay/salary, whichever is greater, and the appropriate flexible benefit credit allowance. In no case shall such pay/salary adjustment place the employee beyond the pay/salary range of the position to which they have been temporarily promoted.

An employee so temporarily promoted shall receive this pay/salary and flexible credit allowance benefits as long as they continue to serve in said higher classification and shall be entitled to receive increases within the range for the position as provided in these articles as though they had been appointed on the day they began to receive the salary designated for the position. The temporarily promoted employee shall not receive any other benefit assigned to the higher classification that they are not already receiving.

The five (5) day waiting period shall apply each time an employee is assigned to a higher classification in this manner.

This provision excludes those classifications whose specific duties and responsibilities require supervision in the absence of an immediate supervisor.

ARTICLE 4  
**PREMIUM PAY**

Sec. 401 ***Bilingual Premium Pay:*** Employees whose positions require the use of bilingual skills shall be allocated for bilingual premium pay at the I, II, or III level. The allocation of positions among the respective levels shall be made by the Agency/Department Head, based upon the criteria established by, and subject to approval by, the Director-Human Resources. An employee's bilingual proficiency at Levels I and II shall be determined by an examination administered and certification issued by the Director-Human Resources or other approved county or city employer or educational facility at the employee's expense. Level III proficiency examinations shall be developed and administered solely by the Director-Human Resources. The level of an employee's bilingual proficiency shall be determined by an examination administered by the Director-Human Resources. Employees assigned to such positions shall be eligible for bilingual premium pay at the level of their position or level of their proficiency, whichever is less, subject to the conditions set forth herein.

The rates for the respective levels are:

<u>Bilingual Level</u>	<u>Premium Pay</u>
I	\$.65/hour
II	\$.80/hour
III	\$.90/hour

Employees in positions eligible to receive this premium pay shall receive the appropriate rate per hour compensated per biweekly pay period, not to exceed eight (80) compensated hours per pay period.

Such premium pay shall be in addition to an employees' pay. To be eligible to receive this premium pay, upon the recommendation of the Agency/Department Head and the Director-Human Resources, the County Executive Officer must designate that such payment will be made.

Sec. 402 ***Night Shift Differential:*** Except as otherwise provided herein, the night shift differential for employees of the County who are required to work a full shift between the hours of 2:00 p.m. and 9:30 a.m. shall be calculated at the rate of five percent (5%) of the base hourly pay/salary of said employee. This provision shall apply to nonexempt employees only. This provision does not apply to certain classifications engaged in law enforcement, fire suppression, or similar twenty-four (24) hour public safety activities as designated by the Director-Human Resources.

- D. Certification Pay: Any permanent employee in one of the classifications listed below who acquires and maintains certification(s) issued by a national or state recognized organization is eligible for Certification Pay. An eligible employee shall receive \$0.813 per hour based on his/her scheduled workweek hours, not to exceed the scheduled workweek hours for each certification to a maximum of five (5) certifications. For example:

Scheduled Workweek = 40.0 hours

# of Certifications = 1

Certification Pay = \$0.813 x 40 hours = \$32.52

Scheduled Workweek = 32.0 hours

# of Certifications = 2

Certification Pay = (\$0.813 x 32 hours) x 2 certifications = \$52.03

Certification Pay is in addition to the designated base salary. In order to receive the pay, an employee must be employed in one of the classifications listed below, be in an assignment whose position requires the possession of a valid State of California Registered Nurse license, and request Certification Pay and provide the appropriate documentation. In order to qualify for the Certification Pay, the certification(s) must be deemed clinically appropriate by the Hospital Administrator and must be related to the employee's regular assignment.

Any employee who receives the Certification Pay pursuant to the provisions of this Section, and who is absent as the result of having utilized a day of paid sick leave, paid annual leave, paid vacation or paid holiday, shall continue to receive the Certification Pay as if they had worked their regular shift for that day(s).

These provisions shall apply to line assigned Battalion Chiefs except that the maximum accruals shall be 1232 hours.

Sec. 1205 **Annual Leave Redemption:** Employees hired and covered by this Resolution before May 23, 2004, may elect to receive pay in lieu of annual leave subject to the following conditions:

- A. Any employee wishing to receive cash in lieu of annual leave hours must submit an irrevocable written election by December 31 of the calendar year prior to the calendar year in which the employee wishes to redeem annual leave hours for cash.
- B. After a qualified election is made, employees may request cash-out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. An employee may make up to two requests per calendar year for payment in lieu of a combined annual maximum of one hundred sixty (160) hours of annual leave, or two hundred (200) hours of annual leave for those with five (5) or more of County Service, as compensation as prescribed in Section 1212 of this resolution. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual hours accrued in a prior calendar year are not allowed.
- C. After a qualified election is made, line assigned Battalion Chiefs with five (5) or more years' experience may request cash-out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. Such employees may make up to two requests per calendar year for payment in lieu of a combined annual maximum of two hundred twenty-four (224) hours of annual leave, or two hundred eighty (280) hours of annual leave for those with five (5) or more years of County service, at the current salary rate. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual leave hours accrued in a prior calendar year are not allowed.
- D. A temporary exception to the above requirements in "B" and "C" above that only annual leave hours already accrued in the

calendar year for which an election is made may be cashed-out shall apply to employees who submit a notice of intent to retire to the Ventura County CEO-Human Resources Office in the calendar year in which the annual leave will be cashed-out. As such, if an employee has accrued less annual leave in a calendar year than she/he wishes to cash-out at a given time, the employee may cash-out annual leave hours carried over from a prior calendar year, if and only if the following conditions are met:

1. At the time the employee made an irrevocable election to receive cash in lieu of annual leave, the employee submitted a notice of intent to retire in the calendar year in which the annual leave will be cashed-out.
2. At the time the employee makes a request for cash out payments to be paid, the employee submit an irrevocable notice of resignation/retirement on a specified date in the calendar year during which the payment is to be made.
3. This exception will expire January 1, 2018, as to employees who are entitled to Tier I or safety retirement; and will expire December 31, 2020, as to employees entitled to Tier II retirement.

- E. An employee must use eighty (80) hours of annual leave during the twelve (12) months immediately preceding a cash-out payment request. Line assigned battalion chiefs must use a minimum of one hundred twelve (112) hours of annual leave during the twelve (12) months immediately preceding a cash-out payment request. For this purpose, "use" shall mean actually taking time off work and being paid annual leave pay for such time off. If the employee has not used the required hours of annual leave in the twelve (12) months immediately preceding the cash-out, the employee's cash-out request shall be denied. If an employee is unable to cash-out by the final payroll processing period of the year because the employee has not used the required eighty (80) hours (or one hundred and twelve (112) hours for line assigned battalion chiefs) in the preceding twelve (12) months, the employee shall, for tax purposes, be considered to have had the unlimited right to cash out the amount of accrued annual leave the employee had elected to redeem for cash.

If an employee is unable meet the eighty (80) hour usage requirement, (or for line assigned battalion chiefs one hundred twelve (112) hour usage requirement) necessary to cash-

out annual leave by the end of the election year as a result of the denial of a written request (or requests) to use annual leave, the employee's election shall be deemed null and void, no cash-out shall be allowed, and the employee shall not have taxes reported or withheld on the value of the annual leave hours that the employee had been eligible to receive. In order to request that an election be deemed null and void, the sum total of both the hours requested in the denials and actual annual leave hours utilized by the employee in the election year must equal at minimum 80 hours. It is the responsibility of the employee to submit the written denials to the Auditor-Controller's Office at the time the request is made to void the election.

- F. If an employee fails to request payment for the total annual leave hours elected for cash-out, the employer shall unilaterally cash out the elected annual leave hours to the extent that an employee has accrued annual leave available before December 31 of the calendar year.
- G. Annual leave hours used for paid time off will be deducted first from annual leave hours accrued in prior calendar years, and last from annual leave hours accrued in the current calendar year.
- H. Employees who are eligible for annual leave redemption and do not make an affirmative election by the end of the calendar year shall be deemed to have irrevocably elected not to redeem annual leave for pay in the subsequent calendar year.
- I. Employees who experience an unforeseeable emergency may be permitted to make a new irrevocable election and redeem annual leave hours for cash (or to increase the amount of a previous election) during the calendar year in which the unforeseeable emergency occurs. For these purposes, "unforeseeable emergency" means a severe financial hardship to the employee resulting from an illness or accident of the employee, the employee's spouse, or a dependent of the employee, loss of the employee's property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant. The amount of such new election (or increase in a prior election) shall be limited to the amount necessary to satisfy the unforeseeable emergency plus an amount necessary to pay taxes reasonably anticipated as a result of the cash-out, after taking into account the extent to which the hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the employee's

assets (to the extent that liquidation of the employee's assets would not itself cause severe financial hardship). Whether an occurrence is an unforeseeable emergency shall be determined by the auditor-controller's office in its sole discretion.

- J. Employees covered by this Resolution who, as a result of a change in a bargaining unit represented by a recognized employee organization pursuant to Article 20 of the Ventura County Personnel Rules and Regulations, shall be permitted to redeem annual leave under provisions of this Resolution for up to thirty-six (36) months subsequent to that change.
- K. Redemption requests that are processed outside the normal payroll cycle will be calculated at the pay rate in effect during the prior pay period. The check issue date shall determine the applicable period to credit such redemption for the purpose of determining compliance with this section.
- L. The Human Resources Division and Auditor-Controller's Office shall develop forms and procedures for implementation of this program.

Sec. 1206 ***Annual Leave Redemption:*** Employees hired and covered by this Resolution on or after May 23, 2004, but before April 6, 2011, may elect to receive pay in lieu of annual leave subject to the following conditions:

- A. Any employee wishing to receive cash in lieu of annual leave annual leave hours must submit an irrevocable written election by December 31 of the calendar year prior to the calendar year in which the employee wishes to redeem annual leave hours for cash.
- B. After a qualified election is made, employees may request cash-out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. An employee may make up to two requests per calendar year for payment in lieu of a combined annual maximum of one hundred sixty (160) hours of annual leave as compensation as prescribed in section 1212 of this resolution. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual leave hours accrued in a prior calendar year are not allowed.
- C. After a qualified election is made, line assigned Battalion Chiefs may request cash-out payments during the calendar

year for which the election was made by submitting requests for payment in the ordinary payroll process. Such employees may make up to two requests per calendar year for payment in lieu of a combined annual maximum of two hundred twenty-four (224) hours of annual leave at the current base rate of pay. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual leave hours accrued in a prior calendar year are not allowed.

- D. A temporary exception to the above requirements in “B” and “C” above that only annual leave hours already accrued in the calendar year for which an election is made may be cashed-out shall apply to employees who submit a notice of intent to retire to the Ventura County CEO-Human Resources Office in the calendar year in which the annual leave will be cashed-out. As such, if an employee has accrued less annual leave in a calendar year than she/he wishes to cash-out at a given time, the employee may cash-out annual leave hours carried over from a prior calendar year, if and only if the following conditions are met:

  2. At the time the employee makes a request for cash out payments to be paid, the employee submit an irrevocable notice of resignation/retirement on a specified date in the calendar year during which the payment is to be made.
  3. This exception will expire January 1, 2018, as to employees who are entitled to Tier I or safety retirement; and will expire December 31, 2020, as to employees entitled to Tier II retirement.
- E. An employee must use eighty (80) hours of annual leave during the twelve (12) months immediately preceding a cash-out payment request. Line assigned battalion chiefs must use a minimum of one hundred twelve (112) hours of annual leave during the twelve (12) months immediately preceding a cash-out payment request. For this purpose, “use” shall mean actually taking time off work and being paid annual leave pay for such time off. If the employee has not used the required

hours of annual leave in the twelve (12) months immediately preceding the cash-out, the employee's cash-out request shall be denied. If an employee is unable to cash-out by the final payroll processing period of the year because the employee has not used the required eighty (80) hours (or one hundred and twelve (112) hours for line assigned battalion chiefs) in the preceding twelve (12) months, the employee shall, for tax purposes, be considered to have had the unlimited right to cash out the amount of accrued annual leave the employee had elected to redeem for cash.

If an employee is unable meet the eighty (80) hour usage requirement, (or for line assigned battalion chiefs one hundred twelve (112) hour usage requirement) necessary to cash-out annual leave by the end of the election year as a result of the denial of a written request (or requests) to use annual leave, the employee's election shall be deemed null and void, no cash-out shall be allowed, and the employee shall not have taxes reported or withheld on the value of the annual leave hours that the employee had been eligible to receive. In order to request that an election be deemed null and void, the sum total of both the hours requested in the denials and actual annual leave hours utilized by the employee in the election year must equal at minimum 80 hours. It is the responsibility of the employee to submit the written denials to the Auditor-Controller's Office at the time the request is made to void the election.

- F. If an employee fails to request payment for the total annual leave hours elected for cash-out, the employer shall unilaterally cash out the elected annual leave hours to the extent that an employee has accrued annual leave available before December 31 of the calendar year.
- G. Annual leave hours used for paid time off will be deducted first from annual leave hours accrued in prior calendar years, and last from annual leave hours accrued in the current calendar year.
- H. Employees who are eligible for annual leave redemption and do not make an affirmative election by the end of the calendar year shall be deemed to have irrevocably elected not to redeem annual leave for pay in the subsequent calendar year.
- I. Employees who experience an unforeseeable emergency may be permitted to make a new irrevocable election and redeem annual leave hours for cash (or to increase the amount of a previous election) during the calendar

year in which the unforeseeable emergency occurs. For these purposes, “unforeseeable emergency” means a severe financial hardship to the employee resulting from an illness or accident of the employee, the employee’s spouse, or a dependent of the employee, loss of the employee’s property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant. The amount of such new election (or increase in a prior election) shall be limited to the amount necessary to satisfy the unforeseeable emergency plus an amount necessary to pay taxes reasonably anticipated as a result of the cash-out, after taking into account the extent to which the hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the employee’s assets (to the extent that liquidation of the employee’s assets would not itself cause severe financial hardship). Whether an occurrence is an unforeseeable emergency shall be determined by the auditor-controller’s office in its sole discretion.

- J. Redemption requests that are processed outside the normal payroll cycle will be calculated at the pay rate in effect during the prior pay period. The check issue date shall determine the applicable period to credit such redemption for the purpose of determining compliance with this section.
- K. The Human Resources Division and Auditor-Controller’s Office shall develop forms and procedures for implementation of this program.

Sec. 1207 ***Annual Leave Redemption:*** Employees hired and covered by this Resolution on or after April 6, 2011, may elect to receive pay in lieu of annual leave subject to the following conditions:

- A. Any employee wishing to receive cash in lieu of annual leave hours must submit an irrevocable written election by December 31 of the calendar year prior to the calendar year in which the employee wishes to redeem annual leave hours for cash.
- B. After a qualified election is made, employees may request cash-out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. An employee may make up to two requests per calendar year for payment in lieu of a combined annual maximum of one hundred (100) hours of annual leave at the

current base rate of pay. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual leave hours accrued in a prior calendar year are not allowed.

- C. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual leave hours accrued in a prior calendar year are not allowed.

- Sec. 2005 **Approval Of Transfer:** All transfers must have the written approval of the appointing authorities concerned and the Director-Human Resources.
- Sec. 2006 **Salary Rate And Anniversary Date On Involuntary Transfer:** Whenever an employee is involuntarily transferred to a position in a different classification having the same salary range as their former position, they shall retain their salary rate and their merit increase hours needed will not be reset.
- Sec. 2007 **Written Request For Transfer:** Any person wanting to transfer shall submit a request in writing to the Director-Human Resources indicating their desire to transfer, their present classification, and any other special consideration or limitation regarding a possible transfer.
- Sec. 2008 **Consideration For Appointment Of Person Requesting Transfer:** Whenever the Director-Human Resources receives a request for certification of eligibles to an appointing authority, all persons who, within one (1) year from the date of the certification request have

requested a transfer, shall have their names submitted to the appointing authority for consideration for appointment and shall be so notified. Such consideration shall be made in accordance with the provisions of the Ventura County Personnel Rules and Regulations.

Sec. 2009 ***Duration Of Transfer Request:*** A transfer request shall not be honored for more than one (1) year. In addition, a transfer request may not be honored and may be invalidated for any of the following reasons:

- A. The person has accepted a transfer which resulted from the specific transfer request.
- B. The person no longer has status in the County service as a regular employee.
- C. The person requests that their name be removed from consideration.
- D. The person refuses an offer of appointment.
- E. The person is refused appointment by three (3) appointing authorities.
- F. The person fails to appear for a selection interview once they have been notified of their eligibility for consideration.

Sec. 2010 ***Certification/Transfer Of Exempt Employees:*** An employee who is exempt from the classified service and who, immediately prior to gaining exempt status, held status as a regular permanent or probationary employee in the County of Ventura may, upon the Director-Human Resources' application screening pursuant to Section 508A of the Personnel Rules and Regulations, be placed on a Countywide Transfer List for any position(s) for which they are determined to be qualified.

ARTICLE 21  
**REDUCTIONS IN FORCE**

Sec. 2101 **Purpose:** To provide a means by which employees covered by this Resolution are to be demoted or laid off when a reduction in force occurs.

Sec. 2102 **Order Of Layoff:** Employees shall be laid off in the following order:

- A. Extra help employees
- B. Provisional employees
- C. Fixed Term Employees
- D. Temporarily promoted employees
- E. Probationary employees
- F. Employees who, within the twenty-six (26) pay periods immediately prior to layoff, have received a disciplinary suspension of more than one day, or a demotion or reduction in pay equivalent to a suspension of more than one day. If an employee has been demoted as a result of this provision then, for further reduction in force decisions, such disciplinary action will not be considered.
- G. Permanent employees

Sec. 2103 **Seniority:** Seniority shall be determined by each employee's continuous County service. All uninterrupted employment with the County, including all time served as a provisional, probationary manpower working/training program, limited term, or regular, part-time employee, shall be counted as continuous County service seniority. Service as a part-time employee shall be pro-rated. A separation from the County service shall be the only cause for interrupting employment with the County. A separation of three (3) or fewer days shall not be considered a break in service. All authorized leaves of absence shall not constitute a break in service, but all time spent on a leave of absence shall not count toward seniority and all seniority dates shall be adjusted by an amount of time equal to the time spent on such leave of absence.

Notwithstanding the above, seniority for Fire Battalion Chiefs, Fire Division Chiefs, Sheriff's Captains, and Sheriff's Commanders shall be determined by the employee's continuous service in said rank.

Sec. 2104 **Determination Of Layoff:** The determination of which employee(s) shall be laid off shall be made within each department/agency on a classification by classification basis. The County shall designate the classification(s) to be affected.

The order of layoff shall be in reverse order of the employee's seniority. If two (2) or more employees have identical seniority status, then such employee(s) shall be laid off in the order determined by the appointing authority.

Whenever an Agency/Department Head believes that the best interest of the County requires the retention of a management employee with special qualifications, skills, abilities or fitness for their position, the Agency/Department Head may prepare a written request to the Director-Human Resources to grant an exception to the order of layoff. Subsequent to conducting a review of the request, the Director-Human Resources shall forward the request, together with their recommendation, to the County Executive Officer for final action.

Sec. 2105     ***Transfer In Lieu Of Demotion:*** A regular employee, including employees on probation as a result of a promotion, who is to be laid off shall have the right to transfer and/or voluntarily demote and transfer to any vacant position in the employee's department/agency for which they are qualified. If the employee has not previously held permanent status in the classification to which they demote and transfer, then the employee must serve a regular probationary period in the new classification. If there are two (2) or more employees to be laid off and they opt to exercise this right and request to transfer and/or demote and transfer to the same vacant position, then the employee with the greatest seniority shall have the right to fill such vacancy. If the seniority status of these employees is equal, the appointing authority shall have the right to fill such vacancy.

Sec. 2106     ***Demotion In Lieu Of Layoff:*** If there are no vacant positions to which a regular employee, including employees on probation as a result of a promotion, who is to be laid off can transfer and/or demote and transfer, then such employee shall have the right to demote to any class within their department/agency in which that employee previously held permanent status. Bumping shall not be restricted to classes within the management and confidential classifications. Should an employee bump into a class represented by an employee organization, then the layoff procedures applicable to that bargaining unit shall be controlling. There does not need to be a vacant position within the classification for an employee to exercise this right. If, as a result of the exercise of this right, layoffs must occur in the classification to which that employee demoted, then such layoff shall be made in accordance with the provisions of the agreement which is controlling for the classification.

Sec. 2107     **Reemployment:** All persons who have been laid off as a result of a reduction in work force shall have their names placed on a Reemployment Eligible List for the classification in which they were employed immediately prior to being laid off. There shall be two (2) Reemployment Eligible Lists: one (1) which includes only the names of the laid off employees within a department or agency, and the other which has the names of all other County employees who were laid off. The Department/Agency Reemployment List shall have priority over the County-wide Reemployment List. Eligibles on the Reemployment List shall be ranked in reverse order of the order of layoff. Each person's name shall remain in reverse order of the order of layoff. Each person's name shall remain on such list for a period of two (2) years following the date that their name was placed on such eligible list, or until they have been reemployed with the County or until their name has been removed from the eligible list in accordance with the provisions of the Ventura County Personnel Rules and Regulations, whichever comes first. However, employees of the Human Services Agency who, in the opinion of the appointing authority, have performed satisfactorily and who have been laid off as a result of a reduction in work force shall be entitled to reemployment within that Agency in the classification they held prior to layoff, in the reverse order of layoff and prior to the employment of any other persons in said classification.

Sec. 2108     **Classification Reinstatement:** All persons who have demoted to a lower classification as a result of a reduction in work force shall have their names placed on a Classification Reinstatement List for the classification from which they were demoted. There shall be two (2) Classification Reinstatement Lists: one which includes only the names of the demoted employee within a department or agency, and the other which has the names of all other County employees who were demoted from the specific classification. The Department/Agency Classification Reinstatement List shall have priority over the County-wide Classification Reinstatement List. Eligibles on the Classification Reinstatement List shall be ranked in reverse order of the order of their demotions. Each person's name may remain on such list for a period of two (2) years following the date that their name was placed on such eligible list, or until they have been reinstated to the classification from which they were demoted, or until their name has been removed from the eligible list in accordance with the provisions of the Ventura County Personnel Rules and Regulations, whichever occurs first. To remain on a Classification Reinstatement List, a person must maintain status as a County employee.

Sec. 2109 ***Restoration Of Benefits:***

- A.     Sick Leave: Sick leave accruals for employees in lay off status, shall remain on the books and be reinstated if such employees are reappointed. Whenever a person becomes ineligible for reemployment with the County per the Ventura County Personnel Rules and Regulations, then, if at the point of layoff such person was eligible to receive a sick leave accrual payoff, such person shall be paid for existing sick leave accruals in accordance with Section 1208 of this Resolution.
- B.     Seniority: Employees who are reemployed while in layoff status shall have their seniority status held immediately prior to layoff reinstated and all time spent on layoff shall be treated as authorized leave of absence without pay for seniority purposes.
- C.     Salary: Employees who are reemployed while in layoff status or demoted employees who are reinstated to the class demoted from shall receive a salary equivalent to that which they were receiving immediately prior to layoff or demotion. In no case shall an employee receive a salary which exceeds the established salary range for the classification.
- D.     Annual Leave Accrual Rates: Employees who are reemployed while in layoff status shall have the annual leave accrual rate they held immediately prior to layoff restored.
- E.     Merit Increase Hours Needed: An employee who is re-employed while in lay off status shall retain the merit increase hours needed as of the time of layoff.

Sec. 2110 ***Obligation To Serve Probationary Period:*** A person appointed from a reemployment list or classification reinstatement list must serve a new probationary period in order to attain regular status. Except that persons reemployed or reinstated to a permanently held classification within ninety (90) calendar days following a reduction in force shall not be required to serve a new probationary period.

Sec. 2111 ***Retirement Contribution:*** If a person has less than five (5) years of service time that is applicable toward retirement, upon layoff all employee retirement contributions will be paid to the employee. If the employee has more than five (5) years of service that is applicable toward retirement, the employee may elect either to withdraw their share of the retirement contribution or leave the money in the

retirement system. Upon reemployment, laid off employees shall not be required to redeposit retirement contributions withdrawn at the time of layoff or subsequently; provided; however, that the employee may elect to redeposit said funds to the retirement system.

Sec. 2112 ***Non-Discrimination In Reduction In Force:*** Layoffs and demotions which result from a reduction in force shall be made without regard to an employee's race, color, national origin, religion, sex, age, disability, citizenship, or functional limitation.

ARTICLE 22  
**GRIEVANCE PROCEDURE**

- Sec. 2201    **Purpose:** To provide a means for processing grievances and for obtaining fair and proper answers and decisions.
- Sec. 2202    **Policy:** The County recognizes the importance of effective communication between employees and supervisors and encourages the interchange of ideas and concerns on a continuous basis. On those occasions when informal discussions do not result in satisfactory solutions to disputes arising out of this resolution, the grievance procedure described herein shall be the sole method of review. Any employee utilizing the grievance procedure shall be guaranteed freedom from reprisal. Disputes involving discipline, other than written or oral reprimands, shall continue to be appealable to the Civil Service Commission pursuant to the Personnel Rules and Regulations. Written reprimands may be appealed through the grievance procedure as outlined in this Article.
- Sec. 2203    **Definition:** A grievance is a claim by an employee or group of employees of a violation, misinterpretation, or inequitable application by the County of the provisions of this Resolution that are applicable to the employee.
- Sec. 2204    **Matters Excluded From The Grievance Procedure:**
- A.    Those matters not specifically provided for under Section 2203 above; and,
  - B.    Disputes involving performance reviews arising from the application of the provisions of Article 17.
- Sec. 2205    **Representation:** At any step of the grievance procedure, the employee may represent himself, may be represented by a fellow employee, or any other person they may choose.
- Sec. 2206    **Time Limitations:** The time limitations are designed to quickly settle a grievance. Time limitations may be extended by agreement of the parties. If at any stage of the grievance procedure the employee is dissatisfied with the decision rendered, it shall be the grievant's responsibility to submit the grievance to the next designated level of review within the time limits specified. Failure to submit the grievance within the time limits imposed shall terminate the grievance process and the grievance shall be considered resolved. The grievant shall promptly proceed to the next step if the

Agency/Department Head fails to respond within the time limits specified. By written agreement, the parties may return a grievance to the first (1st) step for adjustment.

Sec. 2207 **Step No. 1 - Review By Department/Agency:** The grievance shall first be discussed on an informal basis by the aggrieved with their immediate supervisor within twenty-one (21) calendar days from the date of the action causing the grievance. The immediate supervisor shall respond within seven (7) calendar days. Every effort shall be made to resolve the grievance at this level and may include conferences among supervisory or administrative personnel. In the event the employee believes the grievance has not been satisfactorily resolved, the employee shall submit the grievance in writing to the Agency/Department Head within seven (7) calendar days after receipt of the immediate supervisor's response. Such written grievance shall:

1. Fully describe the violation and how the employee was adversely affected;
2. Set forth the section(s) of the Resolution violated;
3. Indicate the date of the action(s) grieved;
4. Specify the remedy sought by the employee.

Sec. 2208 **Step No. 2 - Review By Agency/Department Head:** Within five (5) calendar days after receiving the completed grievance form, the Agency/Department Head or their representative shall meet with the employee and they shall thoroughly discuss the grievance. The Agency/Department Head shall give their written decision within ten (10) working days after the discussion.

Sec. 2209 **Step No. 3 - Review By County Executive Officer (CEO):** If the grievance has not been resolved to the satisfaction of the employee by the Agency/Department Head, the employee shall submit the grievance, in writing, to the CEO within seven (7) calendar days of the step 2 response due date.

The CEO or their representative may meet and discuss the grievance with the employee. After careful review of the facts the CEO will render a decision in writing within fourteen (14) calendar days after receipt of the grievance. The CEO's decision is final and binding on the parties.

**COUNTY OF VENTURA  
DRUG AND ALCOHOL POLICY  
  
FOR  
  
SAFETY-SENSITIVE EMPLOYEES**

Effective January 1, 1995, the County of Ventura must comply with the United States Department of Transportation regulations implementing the federal Omnibus Transportation Employee Testing Act of 1991. Specifically, the County must comply with the regulations of the Federal Highway Administration (FHWA). The Federal Aviation Administration (FAA) and the United States Coast Guard (USCG) have also issued drug and alcohol testing regulations. Where applicable to the County, the requirements of those regulations are reflected in this Policy. Adoption of this Policy is one of the County's obligations under the regulations. This Policy sets forth the rights and obligations of covered employees. If you are an employee covered by these new requirements, you should familiarize yourself with the provisions of this Policy **BECAUSE COMPLIANCE WITH THIS POLICY IS A CONDITION OF YOUR EMPLOYMENT.**

**A. EMPLOYEE QUESTIONS:**

The regulations require that employers designate a person to answer employee questions about drug and alcohol testing. Employees shall refer any questions regarding his/her rights and obligations under the new regulations to the Personnel Officer or designee for each department.

**B. COVERED EMPLOYEES:**

Overall, the regulations cover drivers of commercial motor vehicles as defined in Section C below. A driver is any person who operates a commercial motor vehicle on a full-time, casual, intermittent or occasional basis. The County employees listed in a separate addendum to this Policy may be required to drive commercial motor vehicles, at least on an occasional basis. Therefore, each employee listed in the addendum (and applicants for such positions) is considered to be a "covered employee" subject to the provisions of this Policy. For purposes of pre-employment testing, the term "driver" includes persons applying for employment in a position requiring the driving of a commercial motor vehicle on at least an occasional basis.

The Director, Human Resources (or designee) may add or delete employee names from the list of covered employees based upon his or her determination that an employee's job duties mandate coverage under this Policy. The Director, Human Resources shall promptly notify any affected employee in writing that his or her name will be added to or deleted from the list of covered employees. The determination of the Director, Human Resources shall be final and binding.

## C. COVERED COMMERCIAL VEHICLES

The regulations cover drivers of the following commercial motor vehicles:

1. A vehicle with a gross combination weight of at least 26,001 pounds inclusive of a towed unit with a gross vehicle weight rating of more than 10,000 pounds;
2. A vehicle with a gross vehicle weight of at least 26,001 pounds;
3. A vehicle designed to transport 16 or more passengers, including the driver; or
4. A vehicle used to transport those hazardous materials found in the Hazardous Materials Transportation Act.

## D. SAFETY-SENSITIVE FUNCTIONS:

The performance of any of the following on-duty functions by a covered employee in connection with that employee's operation, or scheduled operation, of a commercial motor vehicle is considered to be a safety-sensitive function:

1. All time at a carrier or shipper plant, terminal, facility, or other property, or on any public property, waiting to be dispatched, unless the driver has been relieved from duty;
2. All time inspecting equipment such as brakes, steering mechanism, lights, tires, horn, windshield wipers, mirrors or coupling devices or otherwise inspecting, servicing, or conditioning any commercial motor vehicle;
3. All driving time;
4. All time, other than driving time, in or upon any commercial motor vehicle except time spent resting in sleeper berth;
5. All time loading or unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle, or in giving or receiving receipts for shipments loaded or unloaded;
6. All time spent performing driver requirements relating to accidents; or
7. All time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

E. CONTROLLED SUBSTANCES:

For purposes of the federal regulations and this Policy, controlled substances means marijuana, cocaine, opiates, amphetamines and phencyclidine. Covered employees are required to inform their supervisor of any therapeutic drug use prohibited by this policy (includes both prescribed and over-the-counter medications for treating specific ailments which contain alcohol or any of the controlled substances.) Covered employees are responsible for obtaining information from their physicians for any prescribed medication they are taking that may impact their ability to drive, and they must report such use to their supervisors.

F. PROHIBITED CONDUCT:

Covered employees may not be under the influence or in possession of controlled substances or alcohol during any work hours. Further, the regulations specifically prohibit certain conduct while performing and prior to performing safety-sensitive functions. Covered employees are prohibited from:

1. Reporting for duty or remaining on duty requiring the performance of safety-sensitive functions while having an alcohol concentration level of 0.04 percent or greater;
2. Performing a safety-sensitive function within four hours after using alcohol;
3. Being on duty or operating a vehicle described in Section C, above, while possessing alcohol or controlled substances;
4. Using alcohol or controlled substances while performing a safety-sensitive function;
5. Reporting for duty or remaining on duty requiring the performance of safety-sensitive functions when the employee used any controlled substances, except if the use is pursuant to the instructions of a physician who has advised the employee that the substance does not adversely affect the employee's ability to safely operate a vehicle;

6. Reporting for duty or remaining on duty requiring the performance of safety-sensitive functions if the employee tests positive for controlled substances; or
7. Refusing to submit to any alcohol or controlled substances test required by this Policy. A covered employee who refuses to submit to a required drug/alcohol test will be treated in the same manner as an employee who tested 0.04 percent or greater on an alcohol test or tested positively on a controlled substances test.

In addition to the above prohibitions, employees are reminded of their obligations under the Federal Drug Free Workplace Act of 1988. All employees covered by this Policy have previously been provided with a copy of the County's Drug Free Workplace Statement, and have signed an acknowledgement that they have read the Statement and agreed to comply with it.

G. CIRCUMSTANCES UNDER WHICH DRUG AND ALCOHOL TESTING WILL BE IMPOSED ON COVERED EMPLOYEES:

1. Pre-Employment Testing:

All applicants (whether by initial application or in connection with a transfer, promotion, or demotion) for positions involving the performance of safety-sensitive functions will be required to submit to pre-employment/pre-duty drug testing. Applicants will not be hired for, or transferred, promoted, or demoted to, a safety-sensitive position if they do not pass the test. A pre-employment alcohol test is not required by this policy.

2. Post-Accident Testing:

Post-accident drug and alcohol testing will be conducted on employees following an accident where the employee's performance cannot be discounted as a contributing factor.

The decision as to whether or not to test the employee will be left to a supervisory or management employee. The presumption is for testing. The only reason an employee will not be tested following an accident is if a determination is made that the employee's performance could not have been a contributing factor. If a fatality occurs, the employee **must** be tested irrespective of whether his/her involvement may be discounted. Post-accident alcohol tests shall be administered within two hours following an accident, and no test may be administered after eight hours. A post-accident drug test shall be conducted within 32 hours following the accident. Documentation on the need for testing will be completed by the supervisor identifying the reason for the test with a copy provided to the employee. Tests not completed within the prescribed time frame will need to have documentation citing the reason for the failure to test.

According to the regulations and this Policy, post-accident tests are conducted after accidents where there has been a fatality. Also required when the employee receives a citation in one of the following situations:

- There has been disabling damage to a vehicle and it requires tow-away; or
- If there is bodily injury that requires treatment away from the scene of the accident.

The following table notes when a post-accident test is required to be conducted:

Type of accident involved	Citation issued to the CMV driver	Test must be performed by employer
Human fatality	YES NO	YES YES
Bodily injury with immediate medical treatment away from the scene	YES NO	YES NO
Disabling damage to any motor vehicle requiring tow away	YES NO	YES NO

### 3. Random Testing:

Covered employees will be subject to random alcohol and drug testing as follows:

A random alcohol test will be administered just prior to the employee performing a safety-sensitive function (i.e., driving,) while the employee is performing a safety-sensitive function, or just after the employee has stopped performing a safety-sensitive function. As of January 1, 2000 the County will subject at least ten percent of the total number of covered employees to random alcohol testing per year.

A random drug test will be administered to at least 50 percent of the total number of covered employees per year. A covered employee may be subjected to drug testing even on a day in which the employee is not expected to perform a safety-sensitive function. Because all covered employees are part of the random selection for each test, some employees may be tested more than once in a year, while others are not tested at all.

On the date an employee is selected for random drug/alcohol testing, his/her supervisor will ensure his/her duties are covered. The employee will receive a written notice at some point during his/her shift indicating the time he/she is to report to the test location.

### 4. Reasonable Suspicion Testing:

Covered employees are also required to submit to an alcohol or drug test when a supervisor, trained in accordance with the regulations at 49CFR 382, has reasonable suspicion to believe the employee is under the influence of alcohol or controlled substances. The observation must be based on short term indicators, such as blurry eyes, slurring, or alcohol on the breath. The supervisor may not rely on long-term signs, such as absenteeism or tardiness, to support the need for a reasonable suspicion test.

The reasonable suspicion alcohol test will be administered within two hours of the observation. If not, the employer must provide written documentation as to why the test was not promptly conducted. No test may be administered after eight hours following the observation.

To ensure that supervisors are trained to make reasonable suspicion determinations, supervisors vested with the authority to demand a reasonable suspicion drug and alcohol test will attend at least one hour of training on alcohol misuse and at least one hour of training on controlled substances use. The training will cover the physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of controlled substances.

The need for a reasonable suspicion test will be documented by the supervisor with a copy provided to the employee. The supervisor shall advise the employee of his/her right to have a union representative present prior to the testing, if a representative is available within a reasonable time (within one hour.)

5. Return to Duty/Follow-up Testing:

A covered employee who has violated any of the prohibitions of this Policy (see Section E) must submit to a return to duty test before he/she may be returned to a position requiring the performance of safety-sensitive functions. The test result must indicate an alcohol concentration of less than 0.02 percent or a verified negative result on a controlled substances test. In addition, because studies have shown that the relapse rate is highest during the first year of recovery, the employee will be subject to follow-up testing which is separate from the random testing obligation. The employee will be subject to at least six unannounced drug/alcohol tests during the first year back to the safety-sensitive position following the violation.

H. PROCEDURES TO BE USED FOR DETECTION OF DRUGS AND ALCOHOL:

1. Alcohol Testing:

Alcohol testing will be conducted by using an evidential breath testing (EBT) device approved by the National Highway Traffic Safety Administration.

A screening test will be conducted first. If the result is an alcohol concentration level of less than 0.02 percent, the test is considered a negative test. If the alcohol concentration level is 0.02 percent or more, a second confirmation test will be conducted.

The procedures that will be utilized for alcohol testing are attached hereto as Appendix A.

2. Drug Testing:

The procedures that will be utilized for collection and testing of the specimen are attached hereto as Appendix A.

I. REFUSAL TO SUBMIT TO AN ALCOHOL AND/OR DRUG TEST:

As set forth in Section F.7 above, a covered employee who refuses to submit to any required drug/alcohol testing will be treated in the same manner as an employee who tested positive.

A refusal to submit to an alcohol or controlled substances test required by this Policy includes, but is not limited to, the following:

- a. A refusal to provide a urine sample for a drug test;
- b. An inability to provide a urine sample without a valid medical explanation;
- c. A refusal to complete and sign the breath alcohol testing form, or otherwise to cooperate with the testing process in a way that prevents the completion of the test;
- d. An inability to provide breath or to provide an adequate amount of breath without a valid medical explanation;
- e. Tampering with or attempting to adulterate the urine specimen or collection procedure;
- f. Not reporting to the collection site in the time allotted by the supervisor or manager who directs the employee to be tested;
- g. Leaving the scene of an accident without authorization from a supervisor or manager (who shall make a determination whether to send the employee for a post-accident drug and/or alcohol test), unless the employee has a valid reason for not obtaining such authorization; or
- h. Consuming alcohol during the eight hours immediately following an accident, unless the employee has been informed that his/her actions have been discounted as a contributing factor, or if the employee has been tested.

J. CONSEQUENCES FOR EMPLOYEES FOUND TO HAVE ALCOHOL CONCENTRATION

LEVELS OF 0.02 PERCENT OR GREATER BUT LESS THAN 0.04 PERCENT:

An employee whose alcohol test indicates an alcohol concentration level between 0.02 percent and 0.039 percent will be removed from his or her safety-sensitive position for at least twenty-four hours. Such an employee may be subject to discipline up to and including termination. The County<sup>7</sup> will then retest the employee. Before the

employee may be returned to his/her safety sensitive position, the employee's alcohol concentration must indicate a concentration below 0.02 percent.

K. CONSEQUENCES OF FAILING AN ALCOHOL AND/OR DRUG TEST:

A positive result from a drug or alcohol test may result in disciplinary action, up to and including termination, in accordance with the County's existing disciplinary rules and procedures.

If a covered employee is not terminated, the employee:

1. Must be removed from performing any safety-sensitive function;
2. Must submit to an examination by a substance abuse professional (SAP.) Upon a determination by the substance abuse professional, the employee may be required to undergo treatment to cure his/her alcohol or drug abuse. The County is not required to pay for this treatment;
3. May not be returned to his/her former safety-sensitive position until released by the SAP and the employee submits to a return-to-duty controlled substance and/or alcohol test (depending on which test the employee failed) which indicates an alcohol concentration level of less than 0.02 percent or a negative result on a controlled substance test;
4. Will be required to submit to unannounced follow-up testing after he/she has been returned to his/her safety-sensitive position. See Section G.5., above.

L. INFORMATION CONCERNING THE EFFECTS OF ALCOHOL AND CONTROLLED SUBSTANCES AND AVAILABLE METHODS OF INTERVENTION:

Information on the effects of alcohol and the various controlled substances which are tested for under this Policy are available from the County of Ventura Employee Assistance Program (EAP.) The EAP is also available for employees seeking help with alcohol and/or controlled substance abuse. For information about the Employee Assistance Program please contact their office at 654-5138.

M. CONFIDENTIALITY PROCEDURES FOR INTERNAL CONTROL

Laboratory reports or test results shall not appear in an employee's general personnel file. The Human Resources Division will keep under their control information of this nature in a separate, secured confidential medical file, access to which will be limited to those individuals with a "need-to-know" as defined by Federal regulation. Supervisors, managers, and other staff with such knowledge are not to discuss or disclose the results of any employee's drug/alcohol tests with other employees, except under approved reasons as delineated by County policy.

The Director, Human Resources may disclose reports or test results to County management on a strictly need-to-know basis, any DOT or State agency with regulatory authority over the County<sup>8</sup> or its drivers, the National Transportation Safety

Board when investigating an accident, the “decision maker” in a legal proceeding, and to the tested employee upon request. Disclosures, without employee consent, may also occur in accordance with Federal regulations.

Employees’ confidentiality is also protected in regards to disclosure by supervisors of any over-the-counter or prescription medications, when the employee has notified the supervisor of such use as mandated by this policy. Supervisors, managers, and other staff who violate this confidentiality policy may be subjected to disciplinary action up to and including termination.

## APPENDIX A

### TESTING PROCEDURES

All testing will be coordinated by a qualified vendor certified to conduct alcohol and drug tests in accordance with guidelines as required by 49 CFR 40, using the following procedures. Specimen collection and analysis will be conducted at the employee’s work site, a secured County facility, or at a certified laboratory.

#### A. ALCOHOL TESTING PROCEDURES

1. The employee arrives at the testing site.
2. If the employee does not arrive at the designated time for testing, the supervisor or designee will be notified for appropriate action.
3. The employee must present to the Breath Alcohol Technician (BAT) a photo ID for identity verification. If unable to verify the employee’s identity the BAT will notify the employee’s supervisor to establish a positive identification. If this is not possible, the test is terminated.
4. The employee being tested may request to view the ID/certification of the BAT prior to testing.
5. After the employee’s identity has been verified, Step 1 of the U.S. Department of Transportation (DOT) Breath Alcohol Testing form will be completed by the BAT.
6. The employee will sign and date the DOT Breath Alcohol Testing form in Step 2. If the employee refuses to sign the form, it is regarded as a refusal to take the test. An employee who refuses to take the test will be treated in the same manner as an employee having an alcohol concentration level of 0.04 percent or greater.
7. An employee may be given an initial test for alcohol by a BAT using either a saliva test kit or an evidential breath testing (EBT) device. The saliva test may be also

administered by a trained County supervisor. If the initial test results are negative, a DOT Breath Alcohol Testing form will be completed, noting the results, and a copy given to the employee.

If the initial test indicates an alcohol concentration level of 0.02 percent or greater, a confirmation test must be conducted by a BAT using an EBT device. The following procedures will be used for the confirmation test:

- a. The BAT will explain that a confirmation test is required.
- b. The employee must remain in the room under observation of the BAT for a 15-minute waiting period. During this period the employee may not eat, drink, or put any object or substance into his/her mouth.
- c. The confirmation test will be conducted at least 15 minutes but no longer than 20 minutes after the completion of the initial test.
- d. The employee and the BAT shall read the sequential test number displayed on the EBT device used for the test.
- e. Under observation by the BAT, the employee will open an individually sealed mouthpiece and attach it to the EBT device according to instructions.
- f. The employee will blow forcefully into the mouthpiece for at least six seconds or until the EBT device indicates that an adequate amount of breath has been obtained.
- g. Once the test is completed the BAT will complete Step 3 of the DOT Breath Alcohol Testing form.
- h. The employee will sign Step 4 of the DOT Breath Alcohol Testing form stating that the test results information on the form matches that indicated on, or printed by, the EBT device and that the employee must not perform safety-sensitive duties or operate heavy equipment if the results indicate an alcohol concentration level of 0.02 percent or greater.
- i. If the test results indicate an alcohol level of less than 0.02 percent the test is complete. A copy of the DOT Breath Alcohol Testing form will be given to the employee, a copy forwarded to the supervisor, and the original retained by the BAT.
- j. If the results of the confirmation test are different from the results of an initial test conducted with the same EBT device, the confirmation test results will be considered the accurate results.

- k. If the results of the confirmation test indicate an alcohol concentration level equal to or greater than 0.02 percent, the BAT will contact the employee's supervisor for further instructions before releasing the employee from the test site.
- l. Employee's with a test result indicating an alcohol concentration level equal to or greater than 0.02 percent are not to drive or engage in any safety-sensitive duties until directed otherwise by their supervisor and in accordance with this policy.
- m. All test results will be transmitted in conformance with confidentiality procedures described in this policy.

## B. DRUG TESTING PROCEDURES

1. The urine specimen will be split into two bottles labeled as "primary" and "split" specimen. Both bottles will be sent to the laboratory;
2. The urine sample will be tested for the presence of the following: marijuana, cocaine, opiates, amphetamines, and phencyclidine;
3. If the test is positive for one or more of these drugs, a confirmation test will be performed using gas chromatography/mass spectrometry analysis;
4. All drug test results will be reviewed and interpreted by a physician before they are reported to the employee and then to the County; and
5. With all positive drug tests, the physician (a.k.a. medical review officer (MRO)) will first contact the employee to determine if there is an alternative medical explanation for the positive test result. If documentation is provided and the MRO determines that there was a legitimate medical use for the prohibited drug, the test result may be reported to the County as "negative."
6. If the urinalysis of the primary specimen tests positive for the presence of illegal, controlled substances, the employee has the right to request that the split specimen be analyzed by a different certified laboratory. This request must be made within 72 hours after notification of such positive results. Cost of the split specimen analysis must be paid by the employee.

## SUBSTANCE ABUSE PROFESSIONAL (SAP)

Under the Department Of Transportation (DOT) regulations, the Substance Abuse Professional (SAP) was established as the professional responsible for evaluating, referring and monitoring any individual involved in an effort towards rehabilitation. Given the Employee Assistance Program's (EAP) established role within the County as an assessment and referral agency, it has assumed the responsibilities of the SAP under the DOT regulations.

The regulation established a standard qualification for a SAP which would be applicable within all states and which allowed for an emphasis in clinical knowledge and experience in the diagnosis and treatment of substance abuse. Under the regulation a "Substance Abuse Professional" means a licensed physician (Medical Doctor or Doctor of Osteopathy), or a licensed or certified psychologist, social worker, employee assistance professional, or addiction counselor (certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission), with knowledge of and clinical experience in the diagnosis and treatment of alcohol and drug related disorders. Federal register 59(31):7316-7317.

### EVALUATION

The SAP is to evaluate an employee who has been tested positive for alcohol and drugs to determine what assistance, if any, the employee needs in resolving problems associated with alcohol misuse and controlled substance use. Federal Register 59(31):7514. If the assessment results in the SAP determining that a drug problem exists, a rehabilitation plan is recommended. This plan can incorporate any number of the levels of care available in the treatment of the individuals problem.

The evaluation and recommendations remain separate from any disciplinary action which may take place, up to and including termination. The regulations require a referral to the SAP regardless of actions taken by the employer.

### NO REFERRAL REQUIRED

Following an evaluation, the SAP may determine that there is not condition of chemical dependency for which rehabilitation is necessary. Despite the absence of a rehabilitation plan, the SAP can still recommend continued unannounced testing. However, such a procedure is not required.

### REFERRAL TO TREATMENT

If the SAP recommendation upon assessment is rehabilitation for an alcohol or drug problem, the SAP must prescribe a specific rehabilitation plan. It is not the obligation of the employer to support the rehabilitation plan or pay for it. The regulation enable the employer to terminate any employee who tests positive regardless of SAP recommendations.

If rehabilitation is supported by the employer and there is an interest in returning the employee to active duty, the employee can elect to adhere to the recommendation of the SAP as a means of saving his job.

The DOT regulations clearly outline several guidelines for appropriate referral. The SAP cannot refer an individual to the SAP's own private practice or to a person or organization in which the SAP has a financial interest. The SAP can refer an employee to a public agency, to the employer's contract provider of alcohol and drug treatment services, to the sole source of therapeutic services under the employer's health benefit or to the sole source of therapeutic services reasonable accessible to the employee.

## RETURN TO DUTY TESTING

It is the SAP's responsibility to inform the employer as to whether the employee has properly followed the requirements of rehabilitation. However, at this point, a return to duty test must be conducted to enable the employee to return to work. It is the employer who decides after consultation with the SAP and Medical Review Officer (MRO) as to returning the employee to a safety-sensitive position.

The SAP can recommend both alcohol and controlled substance testing even if the original positive was for one or the other. Under the regulations, the employer has the authority to enforce the recommendations of the SAP in requiring these return to duty tests.

## FOLLOW-UP TESTING

The SAP is required to prescribe a minimum of six unannounced follow up tests over a 12 month period. However, the SAP has the discretion to increase the frequency of testing. The SAP can then choose to discontinue testing following the first six mandated tests or can elect to continue a follow-up testing and monitoring schedule.

In addition, the SAP has the authority to monitor the progress of the employee for a period of 60 months (five years) from the date the employee returns to work, including the continuance of testing throughout that period.

## REHABILITATION

DOT rules do not *require* rehabilitation. The opportunity for rehabilitation is subject to the conditions established in the County's Drug and Alcohol Workplace policy. An employee's willingness to accept the opportunity for evaluation and rehabilitation does not impact or supersede the County's ability to implement disciplinary action. An employee who has admitted to drug or alcohol use and participates in the evaluation process will be provided recommendations for rehabilitation regardless of the level of disciplinary action imposed including termination.

### WHEN REHABILITATION IS RECOMMENDED

Some level of rehabilitation will be recommended in any instance where there is an assessed symptom of chemical dependency. In rare instances, where the SAP determines that no chemical dependency exists, and rehabilitation may not be necessary. However, the employee will continue to be subject to the other conditions of the County's Drug and Alcohol Workplace Policy.

### REHABILITATION AGREEMENT

Prior to the initiation of rehabilitation, the SAP will offer recommendations to the employee regarding treatment needs. A rehabilitation agreement will be generated which will outline the specifics of the treatment expectations. As rehabilitation is considered an ongoing long term process, the agreement will incorporate both a set of expectations to be met prior to the employee's return to work or "pre-return to work agreement" as well as requirements which will be required after the employee is considered to be fit to return to work or "after care agreement".

### ABSENCE FROM WORK

When rehabilitation is recommended and the workplace has indicated that the employee is expected to return to work following rehabilitation, some time away from work may be necessary, particularly in the early phases of treatment. During such an absence the employee is on unpaid status but able to draw from any accrued compensatory time such as vacation time, sick time, or annual leave.

In some instances the employee may be allowed to return to work while continuing to participate in rehabilitation (a return to work test will be required). The reason for this flexibility is that the level of treatment required may vary.

### LEVELS OF CARE

The EAP representative functioning as the Substance Abuse Professional (SAP) under the DOT regulations will have the capability of providing referrals for specific levels of care. The primary goal of the rehabilitation recommendation is providing a placement option that is considered the most appropriate and effective level of care based on the employee's level of severity, health, and level of functioning. Multiple levels of treatment may be introduced. An employee could begin treatment at an intensive level but move to less intensive levels when appropriate. For example, an employee severely dependent on alcohol may require medical detoxification and a long term stay in a rehabilitation facility, followed by residential participation in a half-way house. All levels of treatment will be considered part of a continuum of options available to assist the employee. The SAP will

continue to support the least restrictive level of care which will successfully accomplish the treatment needs of the employee.

The following serve as examples of the different levels of care which may be incorporated in a rehabilitation plan.

- LEVEL I      Mutual Self Help Recovery Groups
- 12-Step support groups such as Alcoholic Anonymous, Narcotics Anonymous, Cocaine Anonymous, etc.
  - Non-12 Step programs such as Rational Recovery, Secular Organizations for Sobriety
- LEVEL II      Outpatient Treatment
- Outpatient Detoxification
  - Individual and Family Outpatient Treatment
- LEVEL III      Structured Non-residential Treatment
- Structured Intensive Outpatient Treatment Program (IOP)
  - Day Treatment/Partial Hospitalization
- LEVEL III      Residential Rehabilitation
- Social Model (non-medical) Residential Treatment
  - Medically Monitored Inpatient Treatment
- LEVEL IV      Acute Care Hospitalization
- Medically Managed Intensive Inpatient Treatment
  - Medically Managed Detoxification

## COMPLETION OF REHABILITATION

Following the completion of the SAP's recommended treatment program, the SAP can then advise the employer that the employee has complied with the pre-return to work component of the rehabilitation agreement. The employer then decides whether or not to return the employee to a safety-sensitive position and as to whether a return-to-duty test will be initiated. The additional aftercare components of the rehabilitation agreement as well as mandatory follow-up drug testing will be a continued part of the employee's rehabilitation.
