Exhibit C

Amendments to Zoning Classifications for the Oak View Portion of the Critical Wildlife Passage Areas Overlay Zone

The table on the following pages identifies each of the lots, by the Assessor Parcel Number (APN), the zoning classifications of which are hereby amended from the classification stated in the "Current" column to that stated in the "Amended" column. A legend stating the full name of each zoning classification is included below. In cases where there is no APN available, the Parcel Identification number (PID) is listed.

Exhibit E

Amendments to Zoning Classifications for the Simi Hills Portion of the Critical Wildlife Passage Areas Overlay Zone

The table on the following pages identifies each of the lots, by the Assessor Parcel Number (APN), the zoning classifications of which are hereby amended from the classification stated in the "Current" column to that stated in the "Amended" column. A legend stating the full name of each zoning classification is included below. In cases where there is no APN available, the Parcel Identification number (PID) is listed.
