Hello my name is Estrella and I'm a youth community leader with CAUSE. I wanted to speak up about the dangers that many undocumented families face today. We want to keep these individuals safe as many of them have lived here their whole life and are hardworking individuals that take jobs others don't want. My parents themselves were undocumented immigrants and they came in search for better life. They faced many disadvantages but were able to persevere to become citizens. If ICE is involved many families can be torn apart. We as to Hold a Community Forum to Provide Information to the Public Concerning Immigration and Customs Enforcement Access to Individuals Housed in County Jail Facilities in 2019 in Accordance with the Transparent Review of Unjust Transfers and Holds (TRUTH) Act.
