Good afternoon board of supervisors, my name is Julissa and I am a youth leader with CAUSE. I am here to demand that the Sheriff Department and the Board of Supervisors stop all ICE notifications and transfers, and put an end to the painful separations of our communities and families in Ventura County. As a Latina this is really important to me because I have family of my own who constantly fear of being taken by ICE anytime. Also this separation is hurting many families especially right now during these hard financial times. So again I ask that the Sheriff Department and the Board of Supervisors stop all ICE notifications and transfers. Thank you for your time.
