Subject: Board of Supervisors Meeting Agenda Item #8

To the Clerk of the Board,

Please disregard my previous email which I sent by accident before completing it. Distribute this email to the Board of Supervisors prior to the meeting on November 10th for the public record.

Thanks,

Lorena Saruwatari

To the Board of Supervisors:

In my last public comment, I stated that "**THERE IS NO PANDEMIC** and that **Covid-19 is not a virus** but a trade mark, a business franchise." There is no national, state, or local **EMERGENCY**. You have given the people of venture the proof in your web page called "**Recovery**". According to you we are recovering not in state of emergency. You said it yourselves, we are in a "**RECOVERY PHASE**".

According to George Agameen, "Viral epidemic states are above all a political concept which **YOU** are using to prepare us for the new terrain for world politics or non-politics.' It is possible that the pandemic we are living through is an **ACTUALITATION OF A CIVIL WAR** where we are the enemy. Why are we the people the enemy? Because we are struggling with an elusive enemy, the so called Covid-19 virus, that you so **deceitfully** made us believe is within us. This civil war is not fought by weapons but by the government banning public gatherings and public events, instituting new screening procedures, quarantining healthy people against their will, tracking and spying every individual, controlling and monitoring their every transaction. Make no mistake, the war on terror has not ended and it's not over yet, but it has greatly expanded. Proponents of September 11, 19 years ago, stated that the war on terror is a war on the public. But now, during this **Covid-19 hoax**, the terrorist label has been replaced by the **ASYMPTOMATIC CARRIER** and all the machinery of the police state is wielded against anyone who opposes it. Covid-19 is not about health it is a war on terror and a power grab so that you can take away every individual's freedom, people's jobs, and crash the economy to usher a new world order.

HOW LONG ARE YOU GOING TO CONTINUE WITH THESE EVIL PLANS? HOW LONG WILL YOU KEEP ON TERRORISING THE PEOPLE OF VENTURA COUNTY? Desist of your evil ways: OPEN THE ECONOMY, NO MORE RESTRICTIONS, NO MORE MASK, NO MORE SOCIAL DISTANCING, etc.

I will remind you again what the Bible says about evil doers:

Proverbs 19:9 "A false witness will not go unpunished, and **he who tells lies will perish.**"

Romas 1:18 "For the **wrath of God is revealed from heaven against all ungodliness' and unrighteousness** of men who suppress the truth in unrighteousness,"

Proverbs 11:5 "The righteousness of the blameless will smooth his way, but **the wicked will fall by his own wickedness.**

I honestly and sincerely pray that today is your day of repentance, that today is the day you draw the line on the sand and say I will not participate in this crime to humanity.

Sincerely,

Lorena Saruwatari
Resident of Camarillo
