THIRD OBLIGATIONS OF COUNTY

During the term of this Agreement, County agrees:

1. Malpractice Coverage – to provide professional liability (malpractice) coverage which will cover Contractor and County while Contractor is performing services under this Agreement, irrespective of the time at which such claim(s) may be filed or settled, and irrespective of the status of Contractor and Agency at said time.

Such expenses include, by way of example but without limitation, travel, lodging, meals, registration and materials. In order to receive reimbursement, such expenses must be pre-approved in writing by Agency.

The responsibilities of Agency under this article shall be subject to its discretion and usual purchasing practice, budget limitations and applicable laws and regulations.

FOURTH OBLIGATIONS OF CONTRACTOR

At all times during the term of this Agreement:

3. Private Practice of Medicine – The premises of County shall not be used by Contractor as an office for the private practice of medicine. This shall not limit Contractor, however, from providing care and treatment to such private patients as desired and as shall be appropriate to the needs of Contractor and patients.
4. Return of Equipment and Supplies – Upon termination of this Agreement or whenever requested by Agency, Contractor shall immediately deliver to Agency any equipment and supplies in his possession or under his control belonging to Agency in good condition, ordinary wear and tear and damages by any cause beyond the reasonable control of Contractor excepted.

If Contractor is authorized under the terms of this Agreement to carry out any duties through a subcontractor and carries out those duties through a subcontract worth \$10,000 or more over a 12-month period with a related organization, the subcontract will also contain an access clause to permit access by the Secretary, Comptroller General, and their representatives to the related organization's books and records.
6. Restrictions on Use or Disclosure of Protected Health Information –

Contractor will not use or disclose protected health information other than as permitted or required by the Agreement or as required by law. For the purposes of this Agreement, "protected health information" means information transmitted or maintained in any medium that (1) relates to the past, present or future physical or mental health condition of an individual, the provision of health care to an individual, or the past, present or future payment for healthcare, and (2) either identifies the individual or reasonably could identify the individual.

- a. Contractor will document any disclosures of protected health information not permitted by law.
- b. Safeguarding Protected Health Information – Contractor will use appropriate safeguards to prevent use or disclosure of protected health information, including electronic protected health information, other than as provided for by this Agreement, including ensuring that any agent, including any subcontractor, to whom Contractor provides protected health information received from or created or received by Contractor on behalf of Agency agrees to the same restrictions and conditions that apply through this Agreement to Contractor with respect to such information. Such safeguards shall include compliance with the requirements of the HIPAA Security Rule (45 C.F.R. part 164, subparts A and C), including the administrative, physical, and technical safeguards and documentation requirements set forth in 45 C.F.R. 164.308, 164.310, 164.312, and 164.316. Contractor shall, within two (2) calendar days of the discovery of such disclosure, report to Agency any use or disclosure of protected health information not provided for by this Agreement of which Contractor becomes aware and will, to the extent practicable, mitigate any harmful effect that is known to Contractor of a use or disclosure of protected health information in breach of the requirements of this Agreement. At the termination of this Agreement, Contractor will return or destroy all protected health information received from, or created or received by, Contractor on behalf of Agency and retain no copies of such information.
- c. Persons or Entities Allowed Access to Records – Except as otherwise prohibited by law, Contractor will allow an individual who is the subject of the protected health information to inspect and obtain a copy of protected health information and to receive an accounting of any disclosures of protected health information by Contractor occurring six (6) years prior to the date on which the accounting is requested.

Contractor will make protected health information available to Agency for inspection, amendment and copying. Contractor will make his internal practices, books and records relating to the use and disclosure of protected health information available to the Secretary, U.S. Department of Health and Human Services, for purposes of determining Contractor's compliance with this provision.

- d. No Remuneration – Unless otherwise permitted by law, Contractor shall not directly or indirectly receive remuneration in exchange for any protected health information concerning an individual unless Contractor obtains from the individual a valid authorization that includes a specification of whether the protected health information can be further exchanged for remuneration by Contractor.

2. Containment of Entire Agreement Herein – This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to Contractor providing the subject services to County and contains all the covenants and agreements between the parties with respect to such services in any manner whatsoever. Neither Contractor's compensation, nor any other consideration or remuneration to Contractor or any member of Contractor's family, currently or in the future, is or will be based on any

The foregoing hold harmless provisions would not apply with respect to a penalty, if any, imposed by any governmental agency without the fault of, or being caused by, Contractor.
11. Hold Harmless by County – Should Contractor be sued in connection with the performance of his obligations under this Agreement, or based solely upon actions of County, through no fault of and not due to actions of Contractor, County shall indemnify, defend and hold harmless Contractor from any loss, cost, damage, expense or liability which may arise from any such suit. The previous sentence shall not apply to any loss, cost, damage, expense or liability arising as a result of Contractor's willful misconduct or gross neglect.
