Subject: Support for Agenda Item #47: Protect Our Communities and Environment from Antiquated Oil Approval St

Dear Ventura County Supervisors,

I'm writing in support of efforts to amend the County's Zoning Ordinances so that your Planning Division and the public will have better oversight over new oil wells and facilities.

One of the reasons that I enjoy living here is the beautiful outdoor recreation areas. The wells and pumps that already exist often give off gases that pollute our air.

Thank you for your consideration of my request.

Regards,
Joy Kobayashi
