Subject: Legacy permits and vested rights

Dear Board of Supervisors,

I am writing to express our strong opposition to the proposed changes to Zoning ordinances and rules on legacy permits.

This policy impacts our livelihood and will critically reduce our income, especially those of us living on fixed incomes.

As a mineral rights owner, this proposal infringes on my vested rights.
It is unlawful and opens the County to expensive lawsuits.

I hope you will reconsider and NOT make any changes to the zoning ordinances.

Sincerely,
Terence Aggeler
