To Supervisors: Mr. Bennett, Mr. Huber, Mrs. Long, Mrs Park, and Mr. Zaragoza,

I want to bring to your attention that you all along with Mr. Vargas and Mr. Levin are committing fraud and are breaking the law not because of you are still propagating the lie of corona covid-19 virus but because you are acting out of the jurisdiction of your own oath of office and job description.

Can you please provide me with a hard copy document (emailing the document will be sufficient) where it states that in your oath of office description includes medical advice to the people you represent?

**Do you know what is the main duty of the Department of Public Health?**

The **MAIN DUTY** of the Department of Public Health is to **POLICE THOSE WHO ARE PRATICING MEDICINE WITH OUT A LINCENCE.**

What do you call a person that practices medicine without a license?

What are the charges for a person who practices medicine without a license?

When a person goes to a doctor seeking medical advice the doctor has to have him/her to sign a medical consent for treatment.

When have we the people of Ventura county have giving you consent to receive medical advice?

Can you please show me the medical document where I gave you consent of treatment anytime I visit a store, church, restaurant, gym, office, etc.?

Since the begging of the corona virus lockdown and emergency Mr. Vargas and Mr. Levin have been practicing medicine without a license. They have been giving medical advice to the people of Ventura county. They have not asked for their consent of treatment. They have been forcing people such employees, businesses, churches, etc., who do not have a medical license, to give medical advice to the people visiting these establishment?

Since you do not have a license you are violating the law, you are committing a crime. You are committing **FRAUD**. Fraud is a **FELONY**. Felony carries a **PRISON SENTENCE**

I will remind you that the Germans that committed atrocities against the Jews ended up in jail. You will not go unpunished for your crimes against the people of Ventura County.

**Are you ready to go to JAIL?**

Sincerely,

Lorena Saruwatari
