To Whom It May Concern,

As a concerned resident, I would like to point out the various laws you are willingly ready to break by implementing a vaccine passport in Ventura County.

California Government Code 12926 (q) protects one's religious liberty and practice, including the ability to NOT PARTICIPATE in practices that violate one's sincerely held religious beliefs

California Government Code 37100 states that NO county, municipality, or legislative body may pass or enforce a law that violates the laws of this state or the laws of the United States.

California Civil Code 51 states that: All persons within the jurisdiction of this state are free and equal, and no matter what their sex, race, color, religion, ancestry, national origin, disability, medical condition, genetic information, marital status, sexual orientation, citizenship, primary language, or immigration status are entitled to the full and equal accommodations, advantages, facilities, privileges or services in all business and establishments of every kind whatsoever.

California Health and Safety code 101080 states that a local health emergency can only be called where there is an 'IMMINENT AND PROXIMATE THREAT of the INTRODUCTION of a contagious disease...' and this local health emergency EXPIRES AFTER SEVEN DAYS. The local health emergency was called in February of 2020; this is 16 months later. THERE IS NO EMERGENCY! There is no imminent and proximate threat of an introduction of a contagious disease.

Requiring a covid vaccine (which is a medical experiment whose trials will not be complete until 2023) as a condition to participate in society is UNLAWFUL COERCION according to CA law.

24170: This is the Protection of Human Subjects in Medical Experimentation Act

24172: (j) This is the "experimental subject's bill of rights," and states that individuals

In short, what you are proposing is that you would willingly violate the law and the rights of your citizens to impose an authoritarian violation of privacy due to a NON-EMERGENCY. Might I remind you that history does not look well on those that take part in the usurping of freedom.

I demand that the board:

- a. Publicly state its opposition to this vaccine passport
- b Cancel the OTHENA contract which was unlawfully approved and
- c Prohibit businesses from requiring a vaccine verification to get service

Thank you,
Kathleen Hunt
