Please stop vaccine mandates!

We need a vaccine resolution to protect the county from private and public companies in forcing illegal vaccine mandates for participation. Medical procedures should be between a patient and his doctor. Not all medications are good for everyone. Vaccine mandates will cause discrimination and a two-tier system. It is un-American!

What's next...Will you mandate the non-vaccinated to wear a yellow star like the Jews during the Nazi regime?

Thank you,
Julie Taylor
