I AM "STILL SHOCKED" AT HOW THE BOARD OF SUPERVISORS POSTED PERSONAL NAMES FROM E-MAILS SENT TO LINDA PARKS ABOUT JAN 6TH RESOLUTION. THEY WERE NOT AUTHORIZED TO BE READ OR PUBLISHED.

THIS ALSO OCCURRED ON MAY 2 WITH AN ONLINE ARTICLE IN THE VENTURA COUNTY STAR NEWSPAPER ABOUT THE LINDA PARKS RECALL. THERE WAS A LINK IN THE ARTICLE REVEALING AN AFFIDAVIT FROM A CITIZEN WHO SIGNED THE AFFIDAVIT as well as a LIST of names who also served Parks with Affidavits.

IS LINDA PARKS RETALIATING AGAINST THE CITIZENS WHO VOICE GRIEVANCES AGAINST HER? IS THIS AN ETHICS VIOLATION?

Last weeks meeting a caller proposed a "VACCINE RESOLUTION" to protect the county from private & public companies trying to force illegal vaccine mandates for participation. WHEN IS THE COUNTY GOING TO USE THIS RESOLUTION THAT WOULD ACTUALLY PROTECT THE CITIZENS' PRIVACY? The RESOLUTION IS NEEDED ASAP/FACTS EXIST!

Thank You for Your Immediate attention,
