TO: Ventura Board of Supervisors, Robert Levin and Rigoberto Vargas

A recall is underway for Supervisor Chair Linda Parks. Other recalls are planned. The reason is because Linda Parks and her colleagues have been making decisions to favor Sacramento and the state. They put the interests of Ventura County residents last, not first.

Here is the worst part: Linda Parks and the others take money to do the dirty job of influencing people with fear, forcing them to give up their freedoms for Sacramento's benefit. Linda Parks and her colleagues have NEVER missed a paycheck!

In early March 2020, Governor Newsom announced a state of emergency. In early April 2020 Dr. Robert Levin issued a 9-page anti-mask study.

In early May 2020, Governor Newsom announced getting a billion dollars from the Federal Government. He declared the money would be given ONLY to supervisors who forced their counties to comply with his mandates. He said he did not have authority to require people to wear masks, stay inside, or otherwise turn their lives upside down.

In early June 2020 Linda Parks and her colleagues did 180-degree turn around demanding we do as Sacramento said.

By July 2020 they sued the church and its people along with small business owners. In November 2020, Robert Levin received a 12.5% raise! He makes over \$300k because Linda Parks and her colleagues sold us out to Sacramento! That is slavery. That is unlawful, unconstitutional, and immoral. That is why Linda Parks will be recalled. Sign the petition!
