**Subject:** Oppose vaccine passport

Hello, I am writing you today to urge you to vote no on Vaccine passports. I am fully vaccinated but disagree in making anyone vaccinate who does not wish to. Creating a passport is a round about way of forcing people to comply. This sets a worrisome precedents requiring something that violates our rights over our own bodies to receive a government document, whatever the document maybe be or qualify you for. Once again I urge you to vote no.

V/R
