Dear committee

I'm sure you must be aware by now that what you're doing is illegal. it's against the Nuremberg code, it is not an emergency order; there is no emergency; there is no need for experimental vaccines or passport. You will be held accountable and prosecuted for your actions! You are on notice!

Before the foundations of the world YOU were a dream in God's heart!
Ephesians 1:4 / Psalms 139:14
