Dear Sir or Madam:

Forcing a medical experiment upon an individual as a condition to participate in society is illegal, unlawful and immoral and reprehensible and it is a violation of our God-given, Natural, and Common Law rights, as expressed and confirmed in the American Declaration of Independence, and as reflected in the Constitution of this State and the Constitution of the United States.

All COVID-19 vaccines **are under an Emergency Use Authorization (EUA) and cannot be made mandatory**. On its website, the U.S. Food and Drug Administration (FDA) notes the following: “...**Recipients must be informed... that they have the option to accept or refuse the vaccine.**”

Forced vaccination violates the right to privacy, which is protected, secured and guaranteed by the 4th Amendment of the US and the Constitution of this state. The Othena website that is to track the vaccine verification requires a plethora of one's personal information.

The Othena.com website states it collects the following information: Name email, Id, mailing address, phone number, date of birth, **access to your CAMERA, all Photos, all images, all audio, files video and other details.**

Forced vaccination is unlawful DISCRIMINATION.

Further, forced vaccination, which is in essence what you are advocating, is a violation of:

(A) CA GOV Code 51, which protects FREE AND EQUAL access to ALL PUBLIC ACCOMMODATIONS, i.e., “private businesses engaged in commerce:” retails stores, banks, restaurants, recreation, transportation – any entity, location or establishment that is open to the public is prohibited from discriminating against the entry of a member of the public.

(B) CA GOV CODE 12926 (q) protects one's religious liberty and practice, including the ability to NOT PARTICIPATE in practices that violate one's sincerely held religious beliefs.

(C) CA GOV CODE 37100 – prevents any creation, application or enforcement of a law or policy that violates the California Constitution or the Constitution of the United States.

No business or organization, including any governmental agency has the authority to force me or anyone else to take any and all COVID-19 vaccines, as well as any other vaccine. No business or organization, including any governmental agency, has the authority to deny me any and all services provided to COVID-19 vaccinated individuals. Denial of any such services, will be a violation of our God-given, Natural, Common Law, state and federal constitutional and international rights not to be vaccinated in any way or form without our consent, this includes our right not to be tracked based on our vaccination status. Any such government agency, business or organization, person's acting as offices of such entities, man and/or woman, violating our right not to vaccinate against COVID-19 will be liable under tort law and for deprivation of rights under color of law, and will be subject to lawsuits, accordingly:

(1) In the case of government officials, coercing and forcing any person to take such vaccines is a violation of your Oath of Office, your obligation to protect our constitutional rights, and will strip you of any and all governmental immunity for acting outside of your authority; and

(2) In the case of any business and organization, man or woman, coercing and forcing any person to take such vaccination in order to provide any services or to provide access to your establishment, will be considered a violation of constitutional rights,

subjecting your business or entity, and you as a private citizen, a man or a woman, to legal action against all of your assets. Business and organization policies are not above the law.

LEGAL NOTICE: If I am compelled or forced to vaccinate to receive your services and I am injured, it will be considered coercion, duress and against my will, and you will be held liable for any such injury. I note here that I am not refusing vaccination, I am simply declining such vaccination for the reasons noted herein, and as mandated by God, the highest legal authority.

Sincerely,

Karen Snyder
