Subject: Public Comment Ventura Board of Supervisors Meeting Agenda Item #9

To whom it may concern,

I am requesting that this board:

- a. Publicly state its opposition to the vaccine passport;
- b. Cancel the OTHENA contract which was unlawfully approved; and
- c. Prohibit businesses from requiring a vaccine verification to get service

California Government Code 12926 (q) protects one's religious liberty and practice, including the ability to NOT PARTICIPATE in practices that violate one's sincerely held religious beliefs.

California Government Code 37100 states that NO county, municipality, or legislative body may pass or enforce a law that violates the laws of this state or the laws of the United States.

I urge you to eliminate the tiered system. Eliminate the plan to make Ventura County a two-caste system based on an experimental injection.

Thank you for your time,
