Dear Clerk,

I am writing in reference to tomorrow's meeting, (item #2) regarding vaccine passports. I am concerned about the safety of the vaccine, and ask that the board pass a resolution opposing any kind of passport vaccine system. If passed, this would be an infringement on my 1st Amendment rights. I have the right to choose what I put into my body and strongly oppose being made to take anything I feel would be unhealthy, regardless of what any organization says. I have the right to choose what I feel is best for my safety, vaccines, I feel are NOT.

Thank you.

Sincerely,

Sharon Steen
