Dear Ventura County BOS,

You all swore an oath to uphold the Constitutions both Federal and State, yet you are doing EXACTLY the opposite of that.

You are doing EXACTLY THE OPPOSITE OF WHAT WE, THE PEOPLE WANT!

- Vaccine Passports are contrary to the 4th amendment of the Constitution. where and I quote:

" The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized."

- Vaccine Passports also VIOLATE a person's right to privacy which is codified in HIPPA laws.

Very Personal Medical decisions are between a Doctor and their patient, not the Government or a Retailer!

Leaving the choice as to whether or not a retailer demands this information is Fascist ala 1920's Italy.

Remember what the people did to Musolini?

Treason carries the Death Penalty.

- **We the People are SICK of your Radical Chinese Communist Party Agenda.**
- **You are doing their bidding because they not only bought your campaigns off, but bought you off.**
- **We will uncover it all in time. Are you sure you want to continue down this path?**
- **We, the People are your Masters, Not the Chinese Communist Party!**

Sincerely,

-Stefanie Sellars
