Subject: Vaccine Passports

Office of the Clerk, County of Ventura

To Whom it May Concern,

I wish to voice my objection to the possibility of Ventura County's instituting a vaccine passport. Requiring a vaccine passport for any reason would be highly discriminatory against anyone who chooses not to be injected. We are prohibited from discriminating against anyone for any reason, yet for Ventura County is considering instituting vaccine passports for that very purpose, to discriminate against those who chose not to vaccinate.

Statistics show that the recovery rate for those that get sick with Covid-19 is roughly 99.9%. The risk of death as a result of contracting Covid-19 similar to that of the flu, yet we don't require vaccine passports for the flu.

- There is no pandemic!
- There is no need for a vaccine passport.
- There is no need to divide us as a people!
- Vaccine passports discriminate.
- Discrimination is illegal!
- DO NOT REQUIRE VACCINE PASSPORTS!

Thank you,

Glenn Cook
