Dear County Board of Supervisors,

This note was sent to Matt Laverie, the board member who represents the area I live in:

"I am writing you today to voice my strong opposition of Ventura County possibly implementing Covid Vaccine Passport's to residents who have chosen to take the vaccine. Not only is this a direct violation of the U.S. Constitution, but putting in a program like this is yet another act by a governmental body to divide people into a have or have not group. This fans the flames of division of our citizenry even further.

Please oppose Covid Vaccine Passports."
