Hello there,

I wanted to make sure you were aware of my position to oppose vaccine passports and the categorizing of people based on a medical status.

This is un-American and something you see only in communist countries. Our nation is founded on individual liberties, given by our Creator and protected in the US Constitution.

Remember that you work for
WE THE PEOPLE.

AND WE WILL FIGHT FOR LIBERTY and be ever vigilant to persevere that which our Founding Father's gave us.

Thank you.
