

Resolution  
of  
The Board of Supervisors of Ventura County  
Proclaims  
**National Public Works Week**  
***"Stronger Together!"***  
May 16 - 22, 2021

**WHEREAS**, the Ventura County Public Works Agency provides services to our communities that are an essential part of our residents' everyday lives; and

**WHEREAS**, the safety, public health, economic wellbeing, and comfort of our community is dependent on Public Works personnel, facilities, and services; and

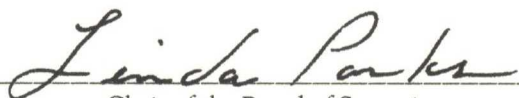

**WHEREAS**, the quality and effectiveness of Public Works facilities, as well as their planning, design, operation, construction, and maintenance relies upon the efforts, skills, and collaborative endeavors of qualified and dedicated Public Works professionals from within the County, other municipal agencies, and our private sector partners; and

**WHEREAS**, the efficient and effective operation of Public Works systems and programs; such as, flood control, streets and highways, water, reclaimed water, sewers, solid waste collection, and public buildings requires the support of an informed and appreciative citizenry, who understand the importance of the work being done by experienced and committed professionals; and

**WHEREAS**, this year's theme "Stronger Together" challenges our staff and the community they serve to think about the role Public Works plays in creating a great place to live. By working together, the impact residents and Public Works professionals can have on their communities is magnified and results in the ability to accomplish goals once thought unattainable;

**NOW, THEREFORE, BE IT RESOLVED**, that the Ventura County Board of Supervisors does hereby proclaim the week of May 16-22, 2021, as **National Public Works Week** in the County of Ventura, and calls upon residents and civic organizations to acquaint themselves with the issues regarding Public Works and to acknowledge the contributions of Public Works professionals who work tirelessly throughout every day to enhance the bond that makes us stronger together.
