Subject: Board of Supervisors - Meeting May 18 2021

Re: Agenda Item #33 [OPPOSE]

Approval and Authorization for County Executive to enter into agreement with CCCF for Vaccination (Covid) Outreach.

I urge the Board to DISAPPROVE (oppose) this item. This would open the door to potential privacy issues, especially if these "outreach efforts" become invasive or even coercive. There already exists abundant information and outreach on all avenues of media; no need for additional efforts.
