Please read my comments into the minutes:

As a homeowner and resident in Channel Islands Harbor I ask that you please approve as proposed the Cooperation agreement between the county and the City of Oxnard. Approval and Adoption of a Master Tax Sharing Agreement Between the County, Ventura County Fire Protection District, and City of Oxnard; Approval of a First Amendment to the Lease Agreement Between the County and City of Oxnard for the Channel Islands Harbor Fire Station Site

Regarding the Chair's representation of Channel Islands Neighborhood Council opposing the Fire Station expansion, this has never been brought forth to the homeowners in Mandalay. I am the VP of the Channel Islands Waterfront Homeowners Association (CIWHA) <https://channelislandsca.com/>

CIWHA is the closest development to the fire station and our homeowners have in fact expressed concerns regarding public access under the bridge in that location:

Our homeowners have also expressed gratitude and respect for the level of service and activity of the Fire station which is critical to this area for residents AND visitors. Until brought to the public and our residents - the statements of highest and best use are simply subjective to the author of that opposing view.

Concerns:
