Therapeutic Inmate Management Unit

- Promote socialization
- Classes with an emphasis on building/developing social skills
- Incentive program to encourage socialization

Medication Assisted Treatment

- Every inmate is assessed at booking
- Weekly substance abuse counseling
- Suboxone pilot program
- Referrals for housing or residential treatment
- Post-release care with partner agencies

- Treatment of incompetent to stand trial inmates locally.
- Paid for by Department of State Hospitals
- Reduces backlog of inmates waiting for bed space at a State Hospital
- Reducing this time allows inmates to resolve their criminal cases more quickly
- Allows family members to stay in closer touch with their loved one
- Allows defense attorneys greater/access to their client
- Saves money on transportation/costs
