Dear California Fire Safe Council,

The Ventura County Board of Supervisors authorizes the Ventura Regional Fire Safe Council (VRFSC) to apply on behalf of the County for the 2021 California Fire Safe Council County Coordinators Grant Project and serve as the grant subrecipient. Our Board is confident that VRFSC can execute the scope of the grant program and meet project metrics and deliverables.

The Ventura Regional Fire Safe Council is aware that, as a subrecipient, they will be required to work closely with the Board of Supervisors, Fire District, and other fire mitigation groups within the county to meet the County Coordinators grant objectives of educating, encouraging, and developing countywide collaboration and coordination. Fire District leadership is prepared to support and assist VRFSC in the execution of these project goals.

Should you require additional confirmation of the County's support of the Ventura Regional Fire Safe Council, the Board of Supervisor's contact is CEO Senior Deputy Executive Officer Scott Powers, and he can be reached at 805-677-8761 or scott.powers@ventura.org.

Signed,

Supervisor Linda Parks

Chair, Ventura County Board of Supervisors
