Subject: Recommendation of Supervisor Linda Parks and Supervisor Carmen Ramirez to Establish a Subcommittee to Explore Options for an Updated County Seal and Report Back to the Board of Supervisors with New Design Suggestion

Recommendation:

Establish a subcommittee of Supervisor Parks and Supervisor Ramirez to explore options for an updated County seal and report back to the Board with new design suggestion.

Discussion:

Our current seal was adopted in 1964 and while we appreciate its historical value, some of the images featured are no longer representative of Ventura County and we believe it is time for an updated County seal. Although the County Executive Office commissioned a logo in 2020, it is not a replacement for the County's official seal that is still used on official documents of record. We look forward to community input and bringing a recommendation to the Board prior to the next fiscal year. The 150th anniversary of the County is on January 1, 2023 and it would be a great opportunity to have an updated County seal in place at that time.

If you have any questions, please contact Supervisor Parks at (805) 214-2510 and Supervisor Ramirez at (805) 654-2613.

Sincerely,
