County of Ventura • Resource Management Agency • Planning Division

Appeal Number: _____

To: ☐ Board of Supervisors
☒ Planning Commission
☐ PWA Advisory Agency

I hereby appeal the decision of the Planning Director, which was given on
May 27, 2021.

The decision was as follows:

Ventura County Planning Director approval of Ojai Quarry
Reclamation Plan Amendment on June 25, 2021.
The decision to find the EIR adequate is not valid for reasons that
will be addressed in detail at the appeal hearing.

The grounds of appeal are (attach extra sheets as needed):

The County's decision was issued erroneously because there are
ongoing violations of permit conditions pertaining to landscaping and
viewshed protections along Highway 33, a National Forest Scenic
Byway. Furthermore, the decision was not consistent with the
CALIFORNIA Environmental Quality Act as a subsequent EIR should have
been prepared instead of a mere addendum.

I request that the appropriate decision making body take the following action:

Rescind Planning Director's decision and direct that a
subsequent EIR be prepared.

Ojai Stop The Trucks Coalition; Los Padres Forest Watch;
