Dear Supervisors and Board,

I am a 17 year resident of Oak Park. I am concerned with the proposed redistricting options for Ventura county that would adversely affect Oak Park. I strongly oppose any re-districting option where Oak Park would be grouped with Simi Valley. The two neighborhoods are not geographically near each other, nor do they share any area facilities, police force or common roads. It lacks all common sense to place Oak Park in a district with Simi Valley, a city more than 18 miles away..

Please consider aligning Oak Park in a district with Thousand Oaks, as proposed in District R or Map 2A.

Thank you for your consideration.
