Dears Ms & Misters of the Board:

I reside at 350 Hornblend Ct., Simi Valley, and would like to express to you my desire to keep Moorpark and Simi Valley within the same voting district. The 2 continuous communities share the same transportation corridor and government infrastructure. It seems logical that they would fit as one community of interest.

I find myself in Moorpark almost as much as I find myself in Simi Valley for shopping or community events. I understand they had been one district in the past, and I was baffled to learn that they had been divided up. If this is the moment to put them back together, then I am ALL FOR IT.

Thank you for your consideration.

Kindly,

Catherine T. Pesiri
