Chair Linda Parks and Supervisors-As new maps have been proposed I support new map 77412. It does not separate cities into 3 districts. It creates two ethnic district goals as established by the BOS. The area I reside in like Oak Park which is also unincorporated area and we are more align with Camarillo however to meet population levels it appears that Map 77412 serve the BOS goals better. It also keeps other non BOS districts more whole. Maybe if meeting population numbers La Colonia could be included within Oxnard but overall this maps is far better than many proposed to date. You have heard from several citizen today in testimony they support 77412.

I urge that you included 77412 as one of the two maps going forward. This maps with greater detail will allow valuable input from the citizens.
