Dear Sirs:
Board of Supervisors of Ventura County
My name is Lovie Bolsinger - I
have lived on the pass Rd for

25 yrs - I am against Residential
High density because - The pass
Rd is mostly - older homes on
larger lots - I don't see any
High density - My home is on 4
lots that can't be divided - I live
near the Church on the pass Rd
and even on Sunday - when church is
out - traffic is a problem. Morning
and evening - the traffic is heavy -
a lot of people take the pass to avoid
the freeway - I have trouble trying
to leave my home at those hours -
Why change the zoning? leave it commercial -
What about the trouble with the
area - to have a letter of disclaim about
ROCKDYNE ?? ITS TOO MUCH - PLEASE
LEAVE IT FOR ANOTHER PURPOSE -
