

PROPOSED 135 LOW INCOME HOUSING UNITS IN PIRU - PETITION

135 more units of low and very low income housing are being proposed for our community. On Pacific Avenue, 105+ units are proposed for 5.4 acres. The other site is Camulos Street between Church and Warring Wash, 30 units on 1.5 acres; about twice as many units per acre as Colina Vista apartments. (Already more than 103 affordable homes are proposed plus 280 other houses.)

If you would like to see better-planned affordable housing in our town, vote no. If crowding twenty houses where normally between six or ten houses would go sounds ok, vote yes.
