SCOPE OF WORK

A. NAME OF PROJECT

This project shall be known as "VoteCal Statewide Voter Registration System Project."

B. PURPOSE OF AGREEMENT

The purpose of this Agreement is to provide the County of Ventura ("County") with federal funds ("HAVA funds"), CFDA Number 90.401, administered by the U.S. Election Assistance Commission (EAC), to assist the County in, or reimburse the County for, complying with the requirements of Section 303 (a) of the Help America Vote Act of 2002 (P.L. 107-252) ("HAVA"), subject to the provisions of this Agreement and all requirements of state and federal law, regulations and procedures. Section 303(a) of HAVA requires that each state election official implement a single, uniform, official, centralized, interactive computerized statewide voter registration list, defined, maintained, and administered at the state level that contains the name and registration information of every legally registered voter in the state.

The provisions of this Agreement are to be interpreted to further this purpose and County compliance with the mandates of HAVA Section 303(a).

Secretary of State (SOS), requests County participation in the following activities:

1. Workshops and Meetings. Attendance and participation in informational workshops and advisory meetings conducted as necessary for the purposes of project education, transition planning, and assisting the VoteCal project team. Meetings will be scheduled by the VoteCal Project Manager as needed. For the workshops and meetings involving travel, VoteCal will reimburse County, as specified in Section D, paragraph 1 below.
2. VoteCal System Training. County will assign their elections staff to participate in regionally- based training sessions to learn the VoteCal system. The VoteCal Project currently estimates training will consist of one (1) training day per staff member provided on the same day in two 3-hour sessions. This training approach is subject to change. For the regional VoteCal training sessions, VoteCal will reimburse County as specified in Section D, paragraph 2 below.
3. EMS Modification Training. County will assign their elections staff to participate in local training sessions conducted by their elections management system (EMS) provider to learn about VoteCal-mandated modifications to the County's EMS. For the EMS training sessions, VoteCal will reimburse County as specified in Section D, paragraph 3 below.
4. Data Conversion, Correction and Verification and VoteCal Implementation. County will assign their elections staff to participate in data format and accuracy validation activities prior to upload of County data to the centralized statewide database. Activities will likely include reviewing data samples for data format, accuracy and other errors that might occur when County data is migrated into the VoteCal-compliant database structure; correcting these errors; and revalidating final versions of County data. The current data conversion approach expects County to assign staff full time for approximately 15 days and ½ time for approximately 15 days (30 days total). County may also have to make some modifications to their in-house procedures to accommodate VoteCal-required changes. VoteCal will reimburse County as specified in Section D, paragraph 4 below.
5. Pilot Testing and Implementation. In order to ensure the VoteCal system and VoteCal's training, conversion and implementation approaches are appropriate to small, medium and large counties across California, selected counties undergoing local elections will be invited to act as pilot counties for the VoteCal system. If County is selected as a pilot, County will implement a compliant version of their EMS system; conduct conversion, validation and verification of County data; and receive training on the system and associated business procedures. Pilot counties will begin using the VoteCal system as their

SCOPE OF WORK

production system in a designated election in advance of other California counties. Counties participating in the pilots will have the opportunity to help refine training and implementation procedures for the statewide rollout. VoteCal will reimburse County as specified in Section D, paragraph 5 below.

**EXHIBIT E
ADDITIONAL PROVISIONS**

ADDITIONAL PROVISIONS

SECRETARY OF STATE POLICY REGARDING POLITICAL ACTIVITY IN THE WORKPLACE

The Secretary of State is the state's chief elections officer. It is, therefore, imperative that staff in the Secretary of State's Office, and those who contract with the Secretary of State's Office, refrain from engaging in any political activity that might call into question the office's impartiality with respect to handling election issues. This prohibition shall not apply while an employee is on approved vacation or approved annual leave. This prohibition shall not apply to activities engaged in during the personal time of an employee.

B. No employee of or contractor with the Secretary of State's Office shall use any state property in connection with political campaign activities. It is strictly prohibited to schedule political campaign-related meetings or to conduct Secretary of State political campaign-related meetings in state office space, even if after normal working hours.

C. No employee of or contractor with the Secretary of State's Office shall use his or her official status with the Secretary of State's Office to influence political campaign-related activities or to confer support for or indicate opposition to a candidate or measure at any level of government.

D. No employee of or contractor with the Secretary of State's Office may be involved with political campaign-related telephone calls, letters, meetings or other political campaign-related activities on state-compensated or federal-compensated time. Requests by employees to switch to alternative work schedules, such as 4-10-40 or 9-8-80 work weeks, or to take vacation in order to accommodate political campaign-related activities or to attend political campaign functions, will be judged in the same manner and on the same basis as any other requests of this nature (i.e., existing needs of the office and discretion of the division chiefs).

E. The receipt or delivery of political campaign contributions or photocopies thereof on state property is strictly prohibited, as is the use of office time or state resources (e.g., intra-office mail or fax machines) to solicit or transmit political campaign contributions.

F. No employee of or contractor with the Secretary of State's Office may authorize any person to use his or her affiliation with the Secretary of State's Office in an attempt to suggest that the employee's or contractor's support or opposition to a nomination or an election for office or a ballot measure is of an "official," as distinguished from private, character.

G. No employee of or contractor with the Secretary of State's Office may display political campaign-related buttons, posters, or similar materials in areas visible to individuals who are in public areas of the Secretary of State's Office; nor may an employee of or contractor with the Secretary of State's Office display political campaign-related posters or other materials on windows facing out of the state office building.

EXHIBIT E
ADDITIONAL PROVISIONS

H. No employee of or contractor with the Secretary of State's Office may use official authority or influence for the purpose of interfering with or attempting to affect the results of an election or a nomination for any public office.

I. No employee of or contractor with the Secretary of State's Office may directly or indirectly coerce or solicit contributions from subordinates in support of or in opposition to an election or nomination for office or a ballot measure.

J. An employee who is paid either partially or fully with federal funds, including the Help America Vote Act of 2002 (HAVA), is subject to the Secretary of State provisions of the federal Hatch Act, and is, therefore, prohibited from being a candidate for public office in a partisan election, as defined in the federal Hatch Act. However, any employee who is to be paid either partially or fully with funds pursuant to HAVA shall first be consulted about the proposed funding and be informed about the prohibitions of the federal Hatch Act. The employee, whenever possible, shall be given the opportunity to engage in employment that does not involve HAVA funding. Provisions limiting participation in political campaign-related activities as provided for in this policy statement shall be included in every contract with the Secretary of State's Office.

If you have questions concerning these restrictions, please refer them to your contract manager.
