Re: Variance request for 6768 Breakers Way

Dear Sirs:

I am the President of the Breakers Way Homeowner's Association, which consists of the owners of 26 homes at Mussel Shoals. It has been brought to the Association's attention that Bryan Cranston and Robin Dearden have applied for a variance for their residence at 6768 Breakers Way.

This is to confirm to the Planning Commission, which will be making a decision on this request, that the Breakers Way Property Owners Association SUPPORTS the issuance of the requested variance. Thus, we urge the Planning Commission to grant the requested variance.
