#### **2. Purpose**

In accordance with the authority cited above, the Contractor has applied to the State for financial assistance (the "Application") in the form of a grant from the Program (the "Grant"). ### 5. Grant Amount

The total amount of this Grant is \$                     .00                    .

**EXHIBIT B**

**BUDGET DETAIL AND PAYMENT PROVISIONS**

**1. Allowable Uses of Grant Funds**

- A. Grant funds shall only be used for projects approved by the State that involve the construction, rehabilitation, and/or acquisition of capital assets as defined by the California Government Code, Section 16727(a) that benefit the community within the Contractor's jurisdiction and as further set out in Section 108 of the Guidelines. Capital assets include tangible physical property with an expected useful life of fifteen (15) years or more, equipment with an expected useful life of two (2) years or more, or major maintenance, reconstruction, or demolition for purposes of reconstruction and/or retrofitting work.
- B. Incidental expenses shall not be paid by Grant funds unless they are directly related to the construction or acquisition of an eligible capital asset. Such expenses include costs associated with planning, engineering, construction management, environmental impact reports, appraisals, site acquisitions, or necessary easements.
- C. Grant funds shall not be expended for the administrative costs of persons directly employed by the Contractor or for other "soft" costs that are not directly related to the construction, rehabilitation or acquisition of capital assets.

**2. Performance**

Contractor shall take such actions, pay such expenses and do all things necessary to complete the Work specified in Exhibit A in accordance with the schedule for completion set forth therein and within the terms and conditions of this Agreement.

**3. Fiscal Administration**

- A. Term: The effective date of this Agreement is the date upon which it is executed by the State (the date stamped in the lower right portion of the Standard Agreement (Std. 213) through September 30, 2016. All funds must be requested by the Contractor by April 30, 2016 and expended by June 30, 2016. This Agreement shall terminate September 30, 2016.
- B. The Contractor shall make any and all request(s) for disbursement no earlier than ninety (90) days from the anticipated need for the funds, using the forms provided by the State. The forms will be made available at <http://www.hcd.ca.gov/hpd/hrpp> . The Contractor shall expend the funds within 90 days from the date of receipt from the State, or by June 30, 2016, whichever occurs earlier and subsequent supporting documentation shall be submitted to the Department.
- C. Failure to expend contract funds in a timely manner may affect future funding.

**EXHIBIT B**

- D. A separate checking account for the Grant funds is not required. However, the Contractor shall deposit Grant funds in an interest bearing checking or savings account, or the State may require the Contractor to deposit all Grant funds into a segregated account in an institution whose deposits are insured by the federal or state government. All interest earned from the deposit of Grant funds shall be used for allowable, Program purposes and accounted for to the State. All funds not expended within 90 days of receipt, or by June 30, 2016, as applicable, shall be returned to the State with accrued interest.
- E. The Contractor shall make a good faith effort to minimize the number of disbursement requests to the State by anticipating and requesting in advance the maximum amount of funds that can be expended within the (ninety) 90 day time frame.
- F. The Contractor shall inform the State within a reasonable amount of time in the event that expenditures related to an authorized project(s) are less than the total Grant award. The Contractor may expend the balance of Grant funds on additional capital assets projects, upon written State approval. Contractor shall provide the State with a letter of request that describes the additional project(s) to be funded.
- G. The Contractor shall immediately inform the State, no later than December 31, 2015, if the Contractor anticipates it will not be able to expend all Grant funds by June 30, 2016.
- H. The Contractor is responsible for maintaining records which fully disclose the activities funded by the Grant. Adequate documentation of each transaction shall be maintained to permit the determination, through an audit if requested by the State, of the accuracy of the records and the allowability of expenditures charged to Grant funds. If the allowability of expenditure cannot be determined because records or documentation are inadequate, the expenditure may be disallowed, and the State shall determine the reimbursement method for the amount disallowed. The State's determination of the allowability of any expense shall be final, absent fraud, mistake or arbitrariness.
- I. Funds will be disbursed upon receipt by the Department of documentation of a certificate of occupancy, final inspection, or other comparable local approval evidencing completion of the Eligible Units by which the applicant qualified for Program funding. All such documentation shall be subject to the approval of the Department. If the Department determines that any of the Eligible Units, which qualified the applicant for Program funding, were not completed, then the Grant will be reduced to an amount corresponding to the actual number of completed Eligible Units.
- J. Any Grant funds remaining unexpended as of June 30, 2016, must be returned to the State with accrued interest. Checks shall be made payable to the Department of Housing and Community Development (HCD) and shall be mailed to the Department at the address indicated in Exhibit D, no later than July 31, 2016.
