Recommendation:

Receive and file.

Fiscal/Mandates Impact:

No fiscal impact.

Discussion:

By the resolution your Board adopted on February 6, 1996, a report of work orders completed and payments made under annual consulting services contracts is required. Attached is a list of work orders completed and payments made under annual consulting services contracts for fiscal year 2010/2011 (FY '11). All work pursuant to work orders under the subject contracts was completed prior to December 31, 2011. Where a balance is shown under a specific work order, it is because the work to be accomplished under the work order was completed for a lesser amount or the work was subsequently not accomplished at the discretion of the Agency.
