Board of Supervisors  
County of Ventura  
800 South Victoria Avenue  
Ventura, CA 93009

**Subject:**

Recommendation of the Local Planning Council to Re- appoint Ms. Elsa Serrano and Ms. Adria Taha- Resnick to the Local Planning Council of Ventura County

**Recommendation:**

It is recommended the Board of Supervisors re-appoint Ms. Elsa Serrano and Ms. Adria Taha-Resnick to the Local Planning Council of Ventura County for a term beginning December 1, 2012 and ending December 1, 2014.

**Discussion:**

The California Education Code section 8499.3 requires each county to establish and operate a Local Planning Council. Duties of Local Planning Councils are varied, ranging from development of a needs assessment (supply, demand, cost and market rates) at least once every five years and preparation of a comprehensive, countywide child care plan designed to mobilize public and private resources to address identified needs, to coordination of providers, programs, waiting lists, public education and training.

The Board of Supervisors and Superintendent of Schools each select one half of the members to serve on the Council and establish terms of office. Categories of memberships are to include: 20% consumers; 20% providers; 20% public agency representatives; 20% community representatives; and 20% discretionary.

The Local Planning Council members noted below are requesting re-appointment by the Board of Supervisors to a two year term (December 1, 2012 to December 1, 2014). The Ventura County Office of Education, which works closely with the Local Planning Council, supports the re-appointment of these two individuals.
