Peacemaking: Existential Laws and Values for Survival Energy

Please share Peace News with the needy.

We need to be cognizant of the fact that peacemaking is healthy, and helps us create energy for our personal survival. To have energy, pray to God for personal energy for survival, and make good, helpful choices for yourself, behaving appropriately and accurately. God has a Goodwill plan of helpfulness for each person, through trusting God's Son, Jesus Christ, who is "the way, the truth, and the life." (John 3:16 John 14:6 in Bible).

We need to be accurate, making helpful choices that enable us to make free, correct, good choices for our eternal life from God, in His Loving, Kind Goodwill.

^{ACCURACY IS A CURE.}
God created good, scientific Laws for our health, and safety through eternity, and expects us to learn of them in our hearts, minds, and consciences, spiritually discerning the truth we need learn for our energetic survival. God is LOVE, and, Loving we need to be, to learn of God's safe, goodwill plans for us. I John 4:16.
LOVE TRUTH. John 8:32. God's plan is eternal life for His Friends.

Peace making: Existential Laws

2

God is truth and wants to give us the honest desires of our hearts, when we freely delight ourselves in His awesome power and graciousness. Our honest desires need be peaceful, ^{MORAL} helpful, kind desires, beneficial to God, to Society to ourselves. Psalm 37:4 in Bible. (KJV). Matthew 5:43-46.

Help people survive.

Peace making is an essential scientific Law of helpfulness, for peaceful coexistence with God and other members of Society and with nations and governments.

Jesus said, "Blessed are the peacemakers for they shall be called the children of God." Matthew 5:9. There's joy in helping.

Pray in Jesus' name.

God is a Divine Being and gave His name to Moses as I AM. God is very Existential and Truthful, and wants us to be existential, having such things as we honestly want and need for our health, safety, knowledge, understanding, and comfortable survival.

The Holy Spirit of Truth is to be our Guide, Teacher, Comforter when we care to help God and the needy. We can have energy when we help God, the needy and carefully help ourselves. Have existential values that help you survive in Peaceful coexistence with neighbors, family, friends. Abide in peace, love, joy.

Help keep environment safe, clean, beautiful, peaceful, beneficial.

Enjoy LIFE! Enjoy!
