RE: NOTICE OF INTENT TO AWARD REQUEST FOR PROPOSAL  
Via electronic mail.

Dear Ms. Balan,

The Mattress Recycling Council California, LLC (MRC) announces its intent to award the contract for the 2022 Illegal Dumping Pilot Study Project (Pilot) to the County of Ventura, Public Works Agency, Roads & Transportation Department (County) in the amount of \$40,000. MRC will require that the County add measurable components to their Pilot and will provide draft contract for the County and their legal counsel to review.

This Notice of Intent to Award is subject to execution of a written contract and, as a result, this Notice does NOT constitute a binding contract between MRC and the County.

The County shall not acquire any legal or equitable rights relative to the contractual services until a contract containing terms and conditions acceptable to both parties is executed. If the County fails to negotiate and execute a contract with MRC the award may be revoked

Thank you for participating in the competitive selection process. For further information about this notice, please contact me at the email address below.
