

RESOLUTION NO. 22-133

**RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF VENTURA  
Revised Findings for Amendments to 2019 Ventura County Building Code**

**WHEREAS**, the Ventura County Board of Supervisors adopted the 2019 Ventura County Building Code as Ordinance No. 4548 on November 5, 2019, which adopted the State Building Standards Codes, with certain amendments, to ensure that new private construction projects meet or exceed the established minimum building standards for the health and safety of the public, and

**WHEREAS**, the Ventura County amendments to the State Building Standards Code established by such ordinance were made in accordance with the requirements of Section 17958.7 of the California Health and Safety Code, which requires that local amendments to State building standards must be reasonably necessary due to a local climatic, geologic, or topographic condition, and

**WHEREAS**, the ordinance and findings for such amendments made to the California Building Standards Code in 2019 by the Ventura County Board of Supervisors and filed with the California Building Standards Commission, as required by law, require that some of the findings for certain amendments in said Code be clarified, as requested by the California Building Standards Commission, for the record to reflect the nature of the local climatic, geologic, or topographic condition(s) that exist in Ventura County that warrants such amendment(s), and

**WHEREAS**, these revisions to the original findings do not modify in any way the original Building Standards adopted by the Board of Supervisors in the 2019 VCBC.

**THEREFORE, BE IT RESOLVED** that the needed clarifications to these findings for certain Ventura County amendments reflect the appropriate findings of local conditions as listed in Exhibit 2, "Revised Findings for Local Code Amendments to the 2019 California Building Standard Code," for the referenced amendments.

Upon motion of Supervisor Parks, seconded by Supervisor Huber, and duly carried, the Board hereby approves and adopts this resolution on the 26th day of July 2022.
