Case Planner Shelley Sussman presented the staff report. The following recommended actions were presented to the Planning Commission:

1. **CERTIFY** that the Commission has reviewed and considered this staff report and all exhibits hereto, and has considered all other materials and public comments received during the public comment and hearing processes; and
2. **ADOPT** a resolution (Exhibit 1) recommending that the Board of Supervisors take the following actions regarding the proposed amendments to the Non-Coastal Zoning Ordinance and the Coastal Zoning Ordinance.
 - a. **CERTIFY** that the Board has reviewed and considered the Board letter and all exhibits hereto, the Planning Commission staff report and all exhibits thereto, and has considered all other materials and public comments received during the public comment and hearing;
 - b. **FIND** that the adoption of the proposed ordinance amending the Ventura County Non-Coastal Zoning Ordinance (Exhibit 3) is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15061(b)(3) because it can be seen with certainty that there is no possibility the project may cause a significant effect on the environment; **FIND** that because the project consists of regulations intended to benefit natural resources and the environment, it is also categorically exempt from CEQA pursuant to CEQA Guidelines sections 15307 and 15308; **FIND** that no substantial evidence exists precluding the use of the above categorical exemptions based on the presence of unusual circumstances or any other

exception set forth in CEQA Guidelines section 15300.2; and **FIND** that adoption of the proposed ordinance amending the Ventura County Coastal Zoning Ordinance (Exhibit 4) is statutorily exempt from CEQA pursuant to Public Resources Code section 21080.9 as an amendment to the County's Local Coastal Program;

- c. **FIND** that the proposed ordinance amending the Ventura County Non-Coastal Zoning Ordinance (Exhibit 3) is consistent with the goals, policies and programs of the Ventura County General Plan and good planning practices and is in the interest of public health, safety and general welfare;
 - d. **FIND** that the proposed ordinance amending the Ventura County Coastal Zoning Ordinance (Exhibit 4) is consistent with the goals, policies and programs of the Ventura County General Plan, the Ventura County Coastal Area Plan, the Coastal Act (Exhibit 7) and good planning practices, and is in the interest of public health, safety and general welfare;
 - e. **ADOPT** the proposed ordinances amending the Ventura County Non-Coastal Zoning Ordinance (Exhibit 3) and Coastal Zoning Ordinance (Exhibit 4); and
3. **DIRECT** Planning Division staff, pursuant to Public Resources Code section 3206.5, to commission a professional evaluation to identify and prioritize Ventura County wells that should be plugged and abandoned, (i.e., those that have "no reasonable expectation of being reactivated"). This evaluation would be provided to the supervisor of CalGEM for a formal determination and identification of wells that should be plugged and abandoned in Ventura County.
4. **SPECIFY** the Clerk of the Board of Supervisors at 800 S. Victoria Avenue, Ventura, CA 93009 as the location and the custodian of the documents and materials that constitute the record of proceedings upon which these decisions are based.
