Hello,

I want my public comment to be included in tomorrow's Truth Act Forum. My comment is outlined below.

Hello, my name is Maria, and I am a graduate student in the sociology department at California State University Northridge. I stand here to let the Ventura County Sheriff's department know that cooperation with ICE is an inhumane way to treat people and should not be happening at all. The sheriff's department needs to stop being complicit in the deportation of our community members. We demand that the Sheriff stop allowing ICE access to county facilities, end all transfers and notifications to ICE, and stop sharing and receiving resources from DHS agencies.

Respectfully,
