Item 48 is probably the MOST URGENT items for the Board to address. Representing Friends of Fieldworkers of Ventura County for the past ten years, I stand up for all the fieldworkers we represent, voiceless. Affordable Housing is key to good physical, mental, psychological, and social health. A whole family living in someone's bedroom or garage, or worse yet, under their mobile home, is extremely detrimental to everyones' sanity and safety.

Please please please vote for Affordable Housing.
Thank you,
Judy Fisk Lucas, President
Friends of Fieldworkers
