Re: Proposed Rate Increase County of Ventura Waterworks District No. 1

I wish to protest the proposed water rate increase. As the property owner on a fixed income the increases that have already occurred over the last several years had significantly and negatively affected our household budget.

Sincerely,

This letter is a "PROTEST VOTE AGAINST" the proposed water rate increase. With the high cost of living in California (Ventura County) this will be an enormous burden on the elderly, middle and low income residents.
