RE: "Protest" of Water Rate Increase - APN# 503-0-060-305, 5490 Grimes Cyn. Moorpark

Please don't raise the water rates anymore. We are at the point of no profit. If water rates continue to rise, we will be faced with letting the avocado trees die and or selling the farm for pennies on the dollar because of loss of income and the loss of farmability. I don't think the County of Ventura wants a bunch of dead farmland on their hands, just think about the risk of fire if this happens, plus the loss of property tax revenue.

Thank you for your consideration
